“Without this software, we would have spent huge time to manage class schedule, result publish and student fees collection. This software solution has saved our approximately 80% times and effort. In all respects, this software has been turned into a tool as part and parcel of our daily activities.”

M. M. Zaman, Principal
Gulshan Model School & College

ADDIE Soft Ltd.

The Word “ADDIE” is formed with the starting letter of these five words: Analysis, Design, Development, Implementation and Evaluation.
