“ADDIE Soft Ltd. has been very receptive to our specific scheduling needs and has adjusted the software accordingly. "ADDIE WAGE-N-ROSTER" keeps track of the employees' vacation time, sick time, etc and provides management with employee performance statistics. We are very satisfied with this scheduling software.

Iftekhar Uddin Khan, Managing Director, Pristine Security Service Ltd.

ADDIE Soft Ltd.

The Word "ADDIE" is formed with the starting letter of these five words: Analysis, Design, Development, Implementation and Evaluation. ADDIE Soft Ltd. believes the successful completion of these five phases can turn a project into a successful one to handover. We are a Professional IT company based in Dhaka that offers custom software development, website design & development, database driven web based application development, portal, e-commerce solutions and other IT services in home and abroad.
