Offshoring Value Proposition

This model enables clients to utilize the infrastructure and manpower of Agile Codex in Bangladesh to execute their projects.

To meet its client's aggressive schedules, Agile Codex presents the offshore outsourcing process that offers: –

- Resource management, to meet demanding project deadlines.
- Extensive project processes to meet different delivered needs of the customer.
- Extraordinary cost benefits when compared to the cost of an equivalent onsite team.

Additional benefits to the customer in terms of reduced infrastructure required, to seat, connect and manage an onsite team.

Marketing and Sales Activities

1. Content marketing through LinkedIn with sponsored post
2. Online blogging through corporate owned website
3. Blogging in other platforms locally and internationally
4. Email Marketing
5. Telemarketing
6. Direct and personal selling
