

## **Khaas Food**

Khaas food is here to develop healthy food habit & amazing shopping experience of the consumers.

We would like to be a food based e-commerce platform in Bangladesh by providing wholesome quality food and quick delivery service. By ensuring healthy life, we would like to make our consumers smile.

### **Objective**

1. Ensuring sound health by delivering adulteration, additives & chemical free pure food at consumers' doorstep.
2. Making organic food available to as many people as possible
3. Make consumers feel like shop next to their door by ensuring quickest delivery service
4. Earning halal income for our stakeholders through doing business fairly & honestly
5. Making a healthy working environment for the employees
6. Building a society & community with sound mind, mentality and health by developing healthy food habit
