Home and Personal Care Label

RTL offers a diverse range of paper and film label materials for various home care applications. Film is fast outpacing paper as the label material of choice for home care applications, as it provides the opportunity for iconic branding and performance that lasts.

Home and beauty product labels are usually:

- Conformable and squeezable
- Water, oil and chemical resistant
- A major element in the product's presentation

Retail Technologies Limited

(The Market Leader in Barcode Solution)

- Barcode Labels / Stickers – Semi Glossy, Mat, Glossy, Direct Thermal (Plain & Pre – Printed)
