

[Startup Dhaka](#) was co founder by Mustafizur R Khan , Fayaz Taher and Samad Miraly in first quarter of 2014. It runs SD Asia - a content and event platform for the startup community ([www.sdasia.co](http://www.sdasia.co)) in Bangladesh. Startup Dhaka has impacted the startup space through several large events - i.e. [Innovation Xtreme](#) (the flagship event with international participants), Grameenphone Demo Day, [Gist Bootcamp](#), [Digibuzz](#) and our latest [12 Week Bootcamp & Demo Day](#). Our work has been [featured](#) in [several international publications](#), which, at the end of the day, allows us to continue to connect, build and grow the tech industry in Bangladesh. Later this year, we will launch a full-fledged accelerator for startups in Bangladesh. We are looking to connect with international investors and supporters interested in the growth of the Bangladesh tech ecosystem.
