- 6. Any other business

All distinguished members of BASIS are requested to attend.

By order of the Executive Council,

Hashim Ahmed

Secretary, BASIS

N.B.

Only BASIS representatives of the member companies will be entitled to attend the AGM. Members, who have not paid their membership fee for the year 2022, which has been due on 28th February 2022, are requested to clear the dues on or before the AGM. Otherwise, he/she will not be eligible to attend the AGM. Please refer to the following clause number 6.3 of BASIS Articles of the Association below:

"6.3 Any member in arrear for 6 (six) months in payment of his/her annual subscription and levies shall be disqualified from taking part in any proceeding of the Association."

Association Overview

BASIS has been working as the national trade body of the ICT sector of Bangladesh to develop a significant, sustainable, and successful Software and IT Enabled Service industry since 1998. Today BASIS contains 2146 members whereas BASIS started its journey with only 18 charter members. Members of BASIS account for the major share of the total software & IT services revenue of the country. BASIS acquires a pioneer position in the sector; which leads it to advocate policy formation and organize different programs and activities for the development of the sector. As per the DTO Circular published on September 2, 2019 BASIS Membership is mandatory for all Software and ITES Companies operating in Bangladesh.

In the area of domestic and international market development, capacity building of the member companies, member service development and delivery, advocacy for business-friendly and enabling government policies, social contribution; BASIS is working incessantly with its regular program and activities. Definitely, BASIS has acquired the utmost position and tremendous success in attaining these targets.

BASIS organizes the biggest private sector software and ITES exposition in the country, BASIS SOFTEXPO, as a part of the domestic market development initiative. BASIS SOFTEXPO has become the annual colossal event, where both at corporate/organizational and individual level, private software & IT service companies in the country project their products and services to potential IT users. BASIS annually publish software and IT service catalog and Member Directory for promoting local solution providers to potential business clients. As BASIS has been working with different ministries and government agencies, the organization is endeavoring to play a catalyst role to ensure its member organizations' effective contribution to different government initiatives taken in line with the Digital Bangladesh vision of the government.

To create international exposure for member companies, BASIS ensures participation at international IT fairs and marketing missions as well as creates business linkage programs for outsourcing, B2B trade platform, and capacity building training programs. The organization also promotes international market augmentation through networking with foreign clients and participating in international business events. Besides, to build proficient entrepreneurs and the industry BASIS is working rigidly. BASIS provides necessary advisory services in the area of financing, tax, VAT, export, import, remittance, foreign visit, etc. In light of this initiative, BASIS started its training activities to address the skill gap of HR in the industry in 2007. Later in 2012, BASIS institutionalized its training activities and set up BASIS Institute of Technology & Management (BITM).

BASIS played an active role in the formulation of National ICT policy 2009 & 2018, Digital Commerce Policy 2018 & Outsourcing Policy 2018. In the matter of policy advocacy for the region, BASIS regularly interacts with relevant agencies of the Government and other relevant stakeholders. BASIS is also playing an active role in formulating Public Procurement Policy (PPP) Amendment, Made in Bangladesh Policy and Knowledge Worker Law. BASIS has worked closely with the Ministry of Commerce in drafting the ICT related chapters of the Import and Export Policies of 2015-18 & 2019-21. In response to the repeated persuasion of BASIS, the Government of Bangladesh has extended the time frame of income tax exemption for software and ITES companies till 2024. In addition to that, BASIS has been assigned as a counselor and mentor to the Startups. BASIS represents the industry in different national level committees including Digital Bangladesh Task Force, Steering Committee of Bangladesh Hi-Tech Park Authority, Management Committee of Export Promotion Bureau (EPB), Executive Committee of Bangladesh Computer Council (BCC) and the like.

BASIS Executive Council

(2022-2023)

Profile

Russell T. Ahmed President

Samira Zuberi Himika Senior Vice President

Russell T. Ahmed is the Founder & CEO of two business ventures namely Team Creative, the country's prominent Edtech company, and ClassTune, a Learning Management System (LMS) operating both in Bangladesh and also in the international market. Mr. Ahmed is currently serving as the President of the BASIS since 2022. He was the Senior Vice President of BASIS for two consecutive terms (2014-2016 and 2016-2018) and was the Secretary General of BASIS Board during the term 2012-2014. Mr. Russell T. Ahmed is known for his passion and contribution to the school education of Bangladesh. He started his venture, by launching a Comprehensive learning management system CLASS TUNE in 2015. His company, Team Creative, initiated and launched Champs21.com in 2010, an online education system in Bangladesh for Bangla and English medium school students. With a vision of creating champions of the 21st century, Mr. Russell T. Ahmed leads his team in launching popular Education TV Shows i.e. "Spelling Bee", "Bangladesh 1st" and "Science Rocks". Furthermore, he has worked with UNICEF and Telenor in a campaign called "Be Smart, Use Heart" in 2018 and 2019 which primarily focused on spreading internet safety among school-going children.

Mr. Russell T. Ahmed engaged himself and led several large national initiatives and campaigns of Digital Bangladesh during his BASIS Board membership tenures. During the terms 2014-2016 and 2016-2018, he offered the best of his abilities with the capacity of Senior Vice President to take the Association towards a few steps ahead. Among many successful initiatives of BASIS, "Digital World 2014", "Digital World 2015", "IT Marketing Summit", "Internet Week 2015" and APICTA Awards are notable projects he successfully managed. Mr. Russell has been involved with the ICT industry for over 17 years and has brought a vast professional career before he began his role as an entrepreneur.

Recently Mr. Ahmed has implemented a Government project, The 'School of Future' which is an extension of 'Sheikh Russel Digital Lab Project (2nd Phase)-2021' by establishing ClassTune as an LMS in more than 300 schools across Bangladesh. He served many large organizations with C-Level capacities such as Chief Marketing Officer at QUBEE, Chief Strategic Officer at Fiber@Home, and Chief Operating Officer at Aamra Networks. Russell T. Ahmed was elected Secretary General of the Executive Committee of ISP Association of Bangladesh (ISPAB) for the term 2008-2009. This vibrant & dynamic Tech-Marketer has a Master's Degree in Business Administration (MBA) from IBA, University of Dhaka.

Samira Zuberi Himika is one of the top Bangladeshi woman entrepreneurs leading technology and impact ventures in Bangladesh and beyond since 2007. Ms. Himika has earned numerous International and National awards for breaking barriers and glass-ceiling while introducing many 'First of a Kind' technologies, initiatives, and products in FinTech, HealthTech, NLP & ML, Bangla Computing, Identity Management, Animation, and Digital Services. Currently, she is leading many successful companies like Giga Tech as Managing Director, Beximco Computers Ltd as Senior Advisor, Inspira Advisory & Consulting as Chairperson, and Team Engine as Director. Ms. Himika has served the BASIS as Director during 2014-16 and led some major initiatives such as TAX & VAT counseling service for members, Connecting Startup, ShePower and IDEA (project development), Digital World, Internet Week, etc. Now she gets a chance to take her contribution as she has been selected as the Senior Vice President of BASIS for the term 2022-2023.

Ms. Himika has been dedicatedly contributing to charitable organizations as an Advisor in "British Asian Trust Bangladesh". She was Board Member of Internationally awarded 'Friendship NGO' and 'Dnet'. Before becoming an entrepreneur, Ms. Himika has worked as Deputy Head of Communications in BBC World Service Trust and UNDP. She has mentored hundreds of young entrepreneurs and startups from India, Hong Kong, Malaysia, Brunei, and Bangladesh. Giga Tech under the leadership of Ms. Samira Zuberi Himika is playing a transformational role in Financial Inclusion with a series of innovative proprietary/Made in Bangladesh solutions. During the pandemic time, "Giga e-KYC" has enabled onboarded 3.1 million citizens in the financial ecosystem and the "Digital Onboarding" solution is making financial products by financial institutions available Digitally for customers while ensuring reduction of customer visits in branches.

Apart from working as a large-scale System Integration company in Government and private sector, Giga Tech, and Beximco Computers are deeply working in HeathTech solutions for patients, doctors, and healthcare providers in Bangladesh, India, Africa, and the UK. One of her portfolio companies "Inspira Advisory & Consulting" is successfully working as a knowledge and research-based company supporting the high impact and high potential industries by closely working with donor and private sector in developing industry roadmap design, beneficiary impact assessment, route to market mapping, market intelligence collection, policy impact analysis, etc. As a creative and social good company, Team Engine is working with under-represented and talented craftsmen, artists, and animators.

Abu Daud Khan Vice President (Admin)

Fahim Ahmed
Vice President (Finance)

Mr. Abu Daud Khan, MD & CEO of Enroute International Limited has been contributing to making "Digital Bangladesh" with his comprehensive experience in the ICT industry. Under his direct supervision, Sudoksho (A robust Edtech platform) has spread its wing into the envisioned future. With 25 years of experience in Telecom and FMCG, Mr. Daud is a respected business persona in today's time. He is currently leading Enroute, a renowned business process outsourcing organization with tech-based wings Enroute Digital Lab, Enroute PaySolutions, Enroute Call Center, and Sudoksho, a unique e-Learning platform to accelerate the digital learning experience. Mr. Abu Daud Khan has also been an integral part of popularizing the local app concept for mobile devices in Bangladesh by launching apps like Prothom Alo App, Daily Star App, Weather Now. Stock Assist, and Scoreboard.

The initiative of a technology-based startup ecosystem as well as mobilizing the youth for the global learning environment has been a key improvisation while working as the country manager of Nokia in Bangladesh, Sri Lanka, and Nepal. Before that Mr. Daud Khan has been involved with Sony Ericcson in many tech development projects. By initiating the development of the right ecosystem for BPO companies he has also played an important role in organizing the sector. Mr. Abu Daud Khan is an ex-cadet of Jhenaidah Cadet College and proud alumni of INSEAD and IBA, the University of Dhaka. He is both a visionary technopreneur, an inclusive leader, a sustainable change maker. He is an Adjunct Associate Professor of BRAC business school and a technophile who aspires to contribute to making Digital Bangladesh with his ideas and work. Now he is a member of the BASIS Executive Council and gets a chance to provide his contribution as he has been selected as the Vice President (Admin) of BASIS for the term 2022-2023.

Mr. Fahim Ahmed is the Managing Director & CEO at Pathao, the largest digital platform for ride-sharing, food delivery, and e-commerce logistics in Bangladesh and Nepal. Mr. Fahim joined Pathao as CFO in early 2018. Since 2020, he has led the operations, growth, and strategic direction of the Company as President. As of November 2021, he has been appointed as the MD & CEO. Mr. Fahim is a seasoned executive with over 18 years of experience in finance, private equity, venture capital, investment banking, and operations in Bangladesh, South Asia, and the US. Before Pathao, he served as the Managing Director at Small Enterprise Assistance Funds (SEAF), a global impact investment firm that provides capital to growing businesses in frontier markets. At SEAF, he led several successful investments and exits in the technology, business services, renewable energy, and transportation sectors in Bangladesh and neighboring markets in South Asia.

Previously, Mr. Fahim had also worked as a private equity investor at Royal Bank of Scotland, and American Securities, a leading middle-market private equity firm based in New York. He began his career in finance as an investment banker in the Tech Media & Telecom (TMT) department at Goldman, Sachs & Co in NY. Fahim graduated summa cum laude from Middlebury College in Vermont, USA, with a B.A. in economics, and is a member of the Phi Beta Kappa Honor Society. Now he is a member of the BASIS Executive Council and gets a chance to provide his contribution as he has been selected as the Vice President (Finance) of BASIS for the term 2022-2023.

Habibullah Neyamul Karim Director

Mr. Habibullah Neyamul Karim is an experienced Founder with a demonstrated history of working in the information technology and services industry. He has distinguished skills in Startup Funding, Negotiation, Business Planning, Analytics, and Operations Management. He is one of the strong business development professionals with a BSEE focused in Electrical Engineering from Yale University. Mr. Karim is the founder and CEO of Technohaven Company Ltd. in Dhaka, Bangladesh as an IT solutions provider serving corporate clients in South Asia that included trans-nationals UN bodies, global service funds, Bangladesh government, and NGOs. He has completed his Bachelor's in Electrical Engineering from Yale University, USA, and attended an Executive Program at Stanford University, USA. Mr. Karim represented the software industry as a full member of the Bangladesh Prime Minister's ICT Task Force between 2001 and 2003 and spearheaded several initiatives meant to accelerate the growth of the software and IT services industry in the country and remove the regulatory and policy level hurdles along the way. His paper on how information and communication technologies can help reduce poverty in Bangladesh was included as one of the thematic papers in the World Bank study on poverty reduction strategy in Bangladesh. As the founder vice-chair of the IBPC where the commerce secretary is the ex-officio chair, he initiated moves to augment the Bangladesh software industry's global reach and capacity.

Earlier in 1997, he helped to found the Bangladesh software industry association BASIS. As the founding secretary-general of BASIS, he authored a five-point charter of demand and action plan to provide a definitive direction to the fledgling software industry of the country. He was elected president of BASIS for the term 2002-2003. During his tenure as president of BASIS, he took significant steps to institutionalize the setup and operations of the organization. He has also been re-elected President of BASIS for the 2008-2009 term. Now he is a member of the BASIS Executive Council and gets a chance to provide his contribution as he has been selected as the Director of BASIS for the term 2022-2023. Mr. Karim is currently the chairman of the IT Committee of the American Chamber in Bangladesh (Amcham) and a former member of the Executive Committee of the Bangladesh Employers Federation. He was the convener of the working group of the ICT Policy Review Committee in 2008 and is the principal author of the Bangladesh ICT Policy 2009.

AKM Ahmedul Islam BABU Director

AKM Ahmedul Islam BABU is the CEO and Managing Director of TechKnowGram Limited with extensive experience of over 25 years in BPO, outsourcing, the software industry, and the Japanese market. He is recognized as one of the pioneers in the ICT industry and has held crucial positions at various multinational companies, including NIIT, Metrocomia South Asia, BJIT, SeBPO, Divine IT, and AtomAP.

Since 1998, Ahmedul BABU has been actively involved with the Bangladesh Association of Software and Information Services (BASIS). Currently, he is serving as the Director of BASIS and Chairman of the BASIS Japan Desk. He is also the 1st Convenor of 1st BASIS Japan Focus Group in 2016 and additionally now serving as Director-in-Charge of standing committees including International Market Development and Digital Education, and a member of BASIS eGovHUB. Moreover, he serves as a Director of the Bangladesh Association of Contact Center and Outsourcing (BACCO) and a member of the Bangladesh Japan Chamber of Commerce of Industries JBCCI, Bangladesh Computer Samity (BCS), e-Commerce Association of Bangladesh (eCAB), and a Life member of CTO Forum of Bangladesh.

Apart from his management and business acumen, Ahmedul BABU has a journalistic background. He has previously served as the executive editor of the Monthly Computer Barta and senior correspondent for the Bangladesh Observer. Additionally, he is the founder and founding president of the Bangladesh ICT Journalist Forum (BIJF). Ahmedul BABU holds Bachelor's and Master's degrees in Applied Physics Electronics and Communication Engineering from the University of Dhaka. He also holds an MBA degree from the Presidency University of Bangladesh and ACMP 4.0 from IBA, University of Dhaka.

Mushfiqur Rahman
Director

Mr. Mushfigur Rahman is a well-known ICT Industry Leader of Bangladesh, having 26+ years of experience in delivering strategic plans for finance, marketing, innovation, and growth management for local and international markets. Mr. Mushfigur Rahman is now serving as one of the Directors of BASIS since Jan 2022. He also served BASIS as the Vice President (Finance) from April 2018 to Dec 2022. His relentless effort towards BASIS has ensured internal financial stability and integrity of the organization and has increased the profitability/financial assets of BASIS. For the last 3 and half years, he is leading from the front for policy-level advocacy and persuasion on behalf of BASIS and contributed/contributed for the ICT industry towards achieving Digital Bangladesh goal with different ministries of GoB like ICT, Finance, Commerce, Planning, Education, and Health, etc. Through negotiation and policy advocacy, he played a key role in the implementation of the long-waited industry need of 10% cash incentive for Software and IT/ITES exportation, Tax exemption for the revenue generated for the local companies from Cloud Services, System Integration, E-Learning, E-Book, Mobile Application Development Services and IT Freelancing till 2024- and 10-years tax exemption for Hardware Manufacturing. During his tenure as Vice President of BASIS, he successfully organized two BASIS SoftExpo (2019 &2020), serving as the convener for the SoftExpo 2020.

Mr. Mushfiqur Rahman co-founded Spectrum Engineering Consortium Ltd, one of the leading information and communication technology integration and service companies in Bangladesh, and leading Spectrum by establishing a base of more than 900+ clients locally and globally, includes footprints in Fortune 100 companies. Some of the leading Key Point Installation (KPI) and software projects implemented and maintained by Spectrum under his leadership are: Certified TIER III National Data Center (DC), Countrywide Customs Automation, Nationwide Bangladesh Education Network (BDREN), Submarine Cable DC & IIG, IT infrastructure and software for Banks and Telecom companies, Interconnect Billing Solution for ICX and IGW, and Agent Banking Solutions. With the emerging challenges of the fourth industrial revolution, he has developed Spectrum R&D Division and invested in Research on Robotics, Machine Learning, and Artificial Intelligence. Mr. Mushfigur Rahman got his BSc in Mechanical Engineering Degree from BUET. He is a life member of the Cadet College Club & BUET Graduate Club. He is also currently serving as the Vice-Chairman of BUET 88 Welfare Foundation.

Syed Mohammad Kamal Director

Mr. Syed Mohammad Kamal, Country Manager, Mastercard Bangladesh has more than 32 years of experience in the diversified industry starting from FMCG to Financial Institutions. He started his career in early 90's with the FMCG industry, worked at companies like ACI, Berger Paints for quite a long period in different leadership roles. Then he has changed the industry from FMCG to a financial Institution and joined a global leader in the remittance industry - Western Union where he worked for more than 6 years, set up Western Union Bangladesh Office, raised their network & revenue substantially. He left Western Union as Country Manager, Bangladesh.

Syed Mohammad Kamal joined Mastercard in early 2013 as Country Manager Bangladesh and established the MasterCard Bangladesh office in the same year. MasterCard is seeing great momentum in the Bangladesh market under his leadership. During the last more than 9 years tenure in Mastercard, he has launched hundreds of diversified payment solutions & increased the customer banks significantly. Under his leadership, MasterCard has launched 3 internet payment gateways in Bangladesh & become the market leader in the online payment space, working very closely with the eCommerce community of the country to ease up online payments.

He has also launched numerous cards & solutions with different organizations to ease up payments. He also pioneered BanglaQR - National Interoperable QR solution & brought in interoperability between MFS & cards. He is actively participating in several policy-making initiatives of the Govt. of Bangladesh, regulators, and different trade bodies. Mr. Syed Mohammad Kamal did his graduation from Chittagong University. Later on, he completed an MBA from Royal Road University, Canada.

Kamal has been the Executive Committee Member of the Foreign Investors' Chamber of Commerce (FICCI) for consecutive 2 terms. Now he is a member of the BASIS Executive Council and gets a chance to provide his contribution as he has been selected as the Director of BASIS for the term 2022-2023. He became Executive Committee Member of the American Chamber of Commerce in Bangladesh (AmCham) in 2018 and become Vice President in 2019.

Tanvir Hossain Khan
Director

Mr. Tanvir Hossain Khan began his professional journey in 2011 and has since worked on several companies. He founded his own company Dreamerz Lab in 2015 which is the first company to commercially work with XR technologies in the global market from Bangladesh. His vision is always to put the tech industry first by empowering the industry with 4IR technologies, especially with Augmented Reality, Virtual Reality, Mixed Reality as well as for the gaming industry. He arranged the first-ever gaming expo where he brought all the gaming industry under one platform including gamers, developers, game development companies, etc.

After that, he deployed the first commercial XR solutions in the automobile industry for UK-based customers. He is also focusing on a very major problem in our industry is skilled human resources. For this, he started contributing by collaborating with BHTPA, ICT Ministry, EMK Center. Avatar Digital VRARA as a trainer, mentor, and consultant to design and conduct training programs based on XR Apps & Game Development. He further collaborated with EMK Center, A2i & BTEB to develop competency standard guidelines based on which we can devise authentic training programs to build skilled human labor for 4IR technologies, especially in the field of AR, VR, MR & Gaming Industry. He always believes any problem can be solved if we can all work as one and from that idea his belief is "Collaboration is Always Better than Competition." Now he is a member of the BASIS Executive Council and gets a chance to provide his contribution as he has been selected as the Director of BASIS for the term 2022-2023

Md. Mostafizur Rahaman Sohel

Director

Mr. Mostafizur Rahaman Sohel, a serial technopreneur, has over 2 decades of experience in technology, finance, and management as a software architect, consultant, mentor, and entrepreneur. He is involved in the software business in different countries. During his extensive career, he was involved in the development, implementation, and commercialization of several products, like DreamApps ERP, ERM Anywhere, Core Integrated Business Systems, ERP in a Box, Brand Manager, and Dream Apps Work Space. Currently, he is working on several multi-tenanted hosted SAAS initiatives, Data Analytics, Business Intelligence, and IoT technology. Mr. Mostafizur Rahman Sohel is one of the pioneers of the Bangladesh ICT industry who has made Enterprise Resource solutions popular in the country. He took a challenging and adventurous career path by opting to come back to his native land after finishing higher studies abroad. His company, Advanced ERP BD Ltd, along with other pioneers of the industry, literally made people understand the importance of automation. Mr. Mostafizur Rahman Sohel has kept himself engaged in the continuous development of the ICT industry and ecosystem. He has been a key contributor in GRP, the first-ever E-Government ERP Project initiated by the Government of Bangladesh.

Mr. Sohel is very much active in the international ICT circuit to represent Bangladesh and has been playing a significant role in ICT Development. He is a board member of 'Business for eTrade Development' - the premier private sector voice for optimizing public policies and aid allocations for e-commerce development and fuelling cross-border e-commerce worldwide that was launched alongside the UNCTAD-led 'eTrade for All' initiative. In his illustrated career Mr. Sohel has major contributions to Government Policymaking activities. He has led the Private Sector in enacting the first-ever Digital Commerce Policy in Bangladesh. He has been the National Consultant for Rapid eTrade Readiness Assessment for Bangladesh conducted by UNCTAD, Mr. Sohel has performed as the Head Judge for BASIS National ICT Award for the years 2018 and 2019. He keeps himself engaged in mentoring youths in different forums, university career clubs, and business chambers. He was the Joint Secretary General of BASIS for the term 2014-2016 and as a Director of BASIS for the term 2016-2018. He has been elected as the Director of BASIS for the term 2022-2023. He is a former National President and currently an Advisory Council Member of Junior Chamber International (JCI) Bangladesh. He is also a proud Rotarian and has been honored to become the Chartered President of Rotary Club of Dhaka Radiant.

Rashad Kabir Director

Mr. Rashad Kabir is one of the leading young ICT Entrepreneurs of Bangladesh. He has contributed a lot to the progression and prosperity of the ICT development of Bangladesh, especially in the field of ICT-based learning and teaching system. Mr. Rashad completed his Graduation from Khulna University of Engineering and Technology in Electrical and Electronics Engineering. He started his professional career at the age of 18 by joining as the Director of BCMC Foundation Ltd. At the age of 22, Mr. Rashad established his own IT Firm named Dream71 Bangladesh Ltd which has already turned into one of the promising tech startup companies of Bangladesh. Dream71 is now doing business and clients in more than 10+ countries right now including Japan, South Korea, Netherlands, Cameroon, UK, UAE, Nigeria, Afghanistan, and many others. He is the pioneer of the first educational game of Bangladesh. He and his company in collaboration with Access to Information (A2i) have developed games based on science books of Classes VI to VIII. In Oct 2015, In June 2016, Mr. Rashad started another tech startup named "Pocket Sales 71", a complete sales force automation tool. He has also established a partner company in Tokyo, Japan named "DreaminPocket". In November 2017, Mr. Rashad also signed a MoU with the Deputy Minister of Defense and National Security in Maldives H. E. Mr. Thoriq Ali Luthufi and his company "Inove Institute" in the Maldives to take the footstep of Dream71 in the Maldives market. Mr. Rashad also opened a company named "HSD Dream71 Ltd' registered in Bangladesh, the UK, and Cameroon which will responsible for the promotion of Dream71's product in the African market. Mr. Rashad Kabir is also contributing to international market development for the ICT Industry of Bangladesh. He is the Convener of Japan Focus Group and Co-Chairman of BASIS Standing Committee on International Market Development. He has taken the lead of Japan IT Week of the year 2018 and 2019 and under his leadership; BASIS took part in those two mega-events. Mr. Rashad was also a member of the organizing committee of BASIS Soft Expo of 2018, 2019, and 2020. He was also a member of the organizing committee of Digital World 2017. He was the Director of BASIS for the term 2019-2021. Now he gets a chance to take his contribution further as he has been selected as the Director of BASIS for the term 2022-2023.

Report of the BASIS Executive Council (2022-2023)

Report of the BASIS Executive Council (2022-2023)

It is my pleasure to extend a warm welcome to all of you as we convene for the annual general meeting of BASIS:

As we look back on 2022, we can say that it has been a year full of challenges and opportunities for the software and ITES industry in Bangladesh. Despite facing unprecedented challenges due to the ongoing Ukraine-Russia war, global pandemic and the economic downturn, the industry has shown remarkable resilience and adaptability.

The Executive Council is pleased to present this report on the progress made in the ICT industry of Bangladesh by BASIS. In recent years, the ICT sector has seen significant growth driven by advances in technology, increasing demand for digital services, and government initiatives to promote the sector. In fact, the Honourable Prime Minister has declared ICT as the 'Product of the Year' for 2022 to encourage exports and highlight the importance of the industry to our economy and society.

In all of our efforts, we have implemented the principle of "Every Member Matters" to emphasize the significance of each member's contribution to our objectives and ensure that everyone feels valued and included in the decision-making process. The Executive Council has also started initiatives, like giving souvenirs and token of surprise gifts to members on their birthdays as a way of showing appreciation and motivating them to continue their excellent work.

We have launched a short code (16488) that provides a one-stop solution for member companies, ensuring that every single interaction is taken care of. Moreover, we have initiated automation processes and implemented dynamic website portals, mobile apps, and feature updates to make members' lives easier. We recognize the importance of providing secretariat members with access to facilities such as offering training programs conducted by local and foreign professionals for enriching their hard and soft skills to provide quality services for BASIS members.

We have also successfully organized and promoted the largest technology congress in South Asia, called "BASIS SoftExpo 2023", featuring 9 major shows and over 18 seminars and roundtables, and attractions. The event showcased the latest technologies, products, and services in the software and ITES industry, and was led by industry leaders from local and foreign international speakers and presenters. Detailed reports on the event will be included in the annual report to be published in the next year.

Our focus has been on the seven pillars from the very beginning of taking over the charge as the newly elected EC, which are i. Human Resources Development, ii. Developing Local Market, iii. Developing International Market iv. Creating a thriving ecosystem for Startups, v. Industry Promotion vi. Access to Finance and vii. Formulating Policies to help grow Intangible Assets. This report will highlight the activities of the BASIS Executive Council for 2022-2023, including their contribution to the 7 pillars and key initiatives of the year.

i. Human Resources Development

The Executive Council has acknowledged the importance of HR development in the industry and has taken several initiatives including training programs through BITM for creating skilled resources, market demand analysis and the like. BASIS Executive Council has organized various training and development programs to enhance the technical and soft skills of the BASIS members workforce.

Technical skills training includes AI, data analytics, cybersecurity, blockchain, machine learning, Bangladesh-Miyazaki ICT Engineers Educational Training Project (B-MEET) and various technical workshops. Soft skills training includes communication, workshops on the science of happiness at the workplace, leadership, time management, and problem-solving, among many others. The council also encourages the workforce to participate in online courses and certification programs. These initiatives aim to leverage the demographic dividend and strengthen core resources for boosting exports and creating a Smart Bangladesh, as we have analyzed that if we can build skilled manpower in R&D, it will definitely fuel our IT service exports.

ii. Developing Local Market

Our local market stands as an indispensable pillar of the thriving software and ITES industry in Bangladesh. The BASIS Executive Council played a key role in developing the local market scenario where the objective was to increase the demand for local software and IT services and create opportunities for local businesses to thrive in the domestic market.

To increase the demand for local software and IT services and create opportunities for local businesses, the council organized various programs, workshops, and seminars to promote the use of ICT in different sectors of the economy, such as agriculture, healthcare, education, and banking, among others. The roundtable on "IT Skill Development: Challenges and Solutions" in 2022, discussed ways to improve the skills of the local workforce and bridge the skill gap in the industry. Moreover, the council also conducted research on the impact of COVID-19 on IT/ITES exports and neo-skill requirements. The findings of the research were shared with relevant stakeholders, including the government and the private sector, to help them make informed decisions and adapt to the changing market dynamics. Furthermore, a workshop was also organized this year, in collaboration with JETRO Bangladesh to explore potential collaborations with Japanese companies using our BASIS Japan Desk, and giving the ever sought platform to our local players to connect with them.

The Luna Shamsuddoha Award 2022, first of its kind, recognized women entrepreneurs and professionals in the industry, inspiring other women to pursue a career in ICT. The council also recognized workshops on the export market excellence of IT & ITES and infrastructure requirement analysis for the MyGov platform, and others. Overall, we believe that our efforts significantly increased the demand for local software and IT services, created opportunities for local businesses to grow, and promoted entrepreneurship and startup culture in the country, and we are aiming for more, the following year.

iii. Developing International Market

In 2022, the BASIS Executive Council prioritized developing the International market for the software and IT-enabled services industry, recognizing its potential to contribute significantly to the country's economy. Throughout the year, the council organized relevant events to help member companies address exporting challenges and collaborated with the line ministries and respective policy makers to develop policies for industry growth, and we have facilitated formulating the important ones that are beneficial for our members to excel while attracting FDI.

Moreover, notable initiatives have been taken, including a visit by a BASIS delegation led by BASIS president to the UK, Austria, Slovakia and Hungary, meeting with a number of foreign Ambassadors to Dhaka, a research project with the IBPC analyzing the impact of COVID-19 on IT/ITES exports, strategies to enhance export performance, and promoting 10% cash incentives for software and ITES exports. Workshops were also held to provide insights into successful exporting fundamentals, and the council met with foreign embassies throughout the year to explore and seek collaboration opportunities. Additionally, the cash incentive team facilitated over 3,000 certificates for more than 400 organizations.

iv. Creating a Thriving Ecosystem for Startups

The Executive Council organized a number of workshops using a balancing approach to address challenges faced by IT startups and promote entrepreneurship skill development. We have recognized the importance of supporting startups in the software and ITES industry and established a supportive infrastructure, collaborating with investors and policy makers to provide resources and opportunities for startups, and presenting a vibrant environment to thrive. We also promoted a culture of innovation through initiatives like workshops, co-working spaces, and awards for recognition. The Council lobbied for government policies that provide tax incentives and benefits for startups.

v. Industry Promotion

The BASIS Executive Council has been actively promoting Bangladesh's IT sector in both local and international markets, engaging in various activities to support and resource businesses in the industry. They have organized a series of ICT industry promotion campaigns in European countries in collaboration with the Export Promotion Bureau, Bangladesh High Commission, and Bangladesh Mission and Permanent Embassy. We have become the "Headline Partner" for the first time in any international event to promote and expand the IT sector footprint of Bangladesh in the European markets, and also in the Asian market through the Japan IT Week exhibition.

One of the significant activities was the kick-off meeting with chairs and co-chairs of the standing committees. This meeting brought together leaders from all the BASIS standing committees to discuss their plans for the next two years and express their commitment to doing at least one significant work from each committee to promote the industry. We have focused on demonstrating the council's dedication to advancing the IT industry in Bangladesh and positioning the country as a leading player in the global technology landscape.

vi. Access to Finance

In the context of our country, we believe that this is particularly important, as lack of access to finance has been a major barrier for the startups and small and medium-sized enterprises (SMEs) in the country, as this is a crucial component of any industry's growth and development.

To address this issue, we have taken several steps in 2022-2023, including a workshop on availing cash incentives and training on ISO certification to help companies meet international standards. We also created partnerships with financial institutions and development organizations to provide better access to finance for our member companies. Additionally, we focused on creating a supportive ecosystem for startups financing to help them grow through many initiatives. We believe these efforts have the potential to create a more vibrant software and ITES industry in Bangladesh, with improved access to finance and better opportunities for growth and development.

vii. Formulating Policies to Help Grow Intangible Assets

The BASIS Executive Council has recognized the increasing importance of intangible assets in the IT and Software sector, as they provide a competitive advantage, brand value, and innovation. To foster the growth of intangible assets in this sector, the Council has implemented several initiatives in 2022. One of these initiatives involves creating policies that protect intellectual property rights, such as patents, trademarks, and copyrights. These policies aim to create an ecosystem that encourages innovation, research and development, and academy and industry collaboration.

The council met with the Honourable Commerce Minister, Planning Minister, and ICT State Minister to discuss policy reforms to facilitate the growth in this beloved sector. As a result of these policies, we strongly believe that businesses in this industry are now better equipped to develop intangible assets and continue driving innovation and growth in the years to come.

As we conclude this report, we take immense pride in the wholehearted efforts that we have made to contribute to a fruitful year in 2022 by organizing various noteworthy events, formulating policies, facilitating our members, enhancing our ecosystem, developing local and international markets, training our ICT manpower, along with organizing recognition awards such as the Luna Shamsuddoha Award, BASIS Outsourcing Award, BASIS National ICT Award, and NASA Space Apps Challenge, among others.

We would also like to express our heartfelt gratitude to the ICT division, BCC, a2i, Hi-tech park authority, Ministry of Finance, bpc, Ministry of Commerce, DTO, Ministry of Foreign Affairs, Bangladesh Bank, National Board of Revenue, Bangladesh Petroleum Corporation, ICAB, Planning Ministry, CPTU, Bangladesh Investment Development Authority, BASIS-SEIP, IBPC, RJSC, Investment Corporation of Bangladesh, and FBCCI for their continuous support to BASIS and its members. Without their support, we wouldn't have been able to make such strides towards progress.

Finally, The Executive Council acknowledges the hard work and vision of the BASIS Secretariat and BITM team, and we look forward to achieving further progress in the industry together. Our strong efforts through initiatives will be continued to make Bangladesh a smart nation, aligning with the "Vision 2041". The journey has accelerated, and we are proud to be a part of this transformational journey.

Abu Daud Khan

Vice President (Admin), BASIS

BASIS Member Services

Benefits for BASIS Members

Legal Service

- Legal Advice
- Contract Law
- Labour Law
- Employee mirgation
- Dispute Resolution through Mediation Cell
- IPR, Copyright, Patent, Trademark consultancy

BASIS Growth Ecosystem

BASIS Growth Ecosystem focuses on several areas to intervene and develop the capacity of the Member Companies. The areas are included but not limited to exploring financing opportunities, HR Capacity Building & HRM, providing Office Space, Legal Advisory Service, IPR Consultancy Service, Tax/VAT/Accounting Advisory Service and Marketing and Promotional Initiatives.

BASIS Membership Growth (1997-2022)

Activities in 2022

January

BASIS Executive Council's Installation Ceremony

On January 13, 2022, the newly elected Executive Council of BASIS had its Installation Ceremony at Gulnaksha Hall, International Convention City Bashundhara (ICCB). It was a wonderful event graced by the Hon'ble Prime Minister's Private Industry and Investment Adviser, Mr. Salman F Rahman as the Chief Guest, and the Hon'ble State Minister for Power, Energy, and Mineral Resources, Mr. Nasrul Hamid Bipu as the Special Guest.

During the program, Mr. Russell T. Ahmed, the President of BASIS, expressed his excitement for the new Executive Council's dedication to advance the ICT sector. He highlighted the council's focus on treating every member with respect, being fair and responsible while performing their duties. Mr. Russell T. Ahmed further shared his optimism that with the help of BASIS, both domestic and foreign markets could benefit from the businesses of all its member companies and significantly contribute to the country's GDP.

Mr. Salman F. Rahman, the Chief Guest, and Private Industry and Investment Adviser to the Honorable Prime Minister, commended BASIS for its work towards the expansion of the country's ICT sector. He highlighted the fantastic opportunity for the ICT sector to demonstrate its full potential, thanks to Hon'ble Prime Minister Sheikh Hasina's declaration of ICT as the product of the year.

Mr. Salman F. Rahman further assured BASIS that it would receive all the assistance needed to meet this challenge, and software companies would also get help in investment.

The Hon'ble State Minister for Power, Energy, and Mineral Resources, Mr. Nasrul Hamid Bipu, recognized BASIS for its admirable work in advancing the ICT sector and increasing the confidence level of the country's ICT companies. He emphasized the need for the young generation to acquire skills in other areas, such as machine learning, artificial intelligence, and block chain, to drive the country towards a technology-based economy. He added that his ministry would support this by providing uninterrupted electricity.

At the event, departing BASIS President Mr. Syed Almas Kabir welcomed everyone and handed over crests to the departing members of BASIS EC (2018-20), Election Board, and Appeals Board members. The newly elected EC members then took the oath administered by former BASIS President Mr. A Towhid.

On behalf of BASIS EC (2018-20), Mr. Syed Almas Kabir handed over the BASIS Flag to the newly elected President, Mr. Russell T. Ahmed, and new EC members were greeted with flower bouquets. Newly elected BASIS Senior Vice President Ms. Samira Zuberi Himika, Vice President (Admin) Mr. Abu Daud Khan, Vice President (Finance) Mr. Fahim Ahmed, Directors- Mr. Habibullah Neyamul Karim, Mr. AKM Ahmedul Islam BABU, Mr. Mushfiqur Rahman, Mr. Syed Mohammad Kamal, Mr. Tanvir Hossain Khan, Mr. Md. Mostafizur Rahaman Sohel, and Mr. Rashad Kabir, were present at the program. The departing EC members (2018-20), previous EC members, representatives of member companies, officials from foreign embassies, and journalists also attended the ceremony.

BASIS and ICT Division Collaborate to Achieve Vision 2041

BASIS and ICT Division have come together to boost the country's local and international market expansion, information technology branding, policy assistance, and business environment. In a meeting held on January 30, 2022, the newly elected BASIS Executive Committee had a discussion with the Hon'ble State Minister for ICT Division, Mr. Zunaid Ahmed Palak, where they discussed the implementation of 'Vision 2041' and the potential opportunities and possibilities for the ICT industry.

During the meeting, the Honourable ICT State Minister acknowledged BASIS's crucial role in making Bangladesh a developed nation, and the government's commitment to provide policy assistance to the industry. He also mentioned the Prime Minister's declaration information technology as the product of the year, underscoring its importance to the country's economic growth.

The State Minister and BASIS identified five areas for collaboration: developing trained human resources, policy reform, technology and innovation, investment, and coordination. The State Minister also announced that the corporate tax exemption would be extended until 2030, and the Finance Minister would be urged accordingly.

BASIS President Mr. Russell T. Ahmed commended the government for prioritizing the ICT industry and emphasized the need for the industry to take a leadership role in government activities related to the sector. BASIS is committed to working with the government to achieve the Vision 2041 by fulfilling its responsibilities and capitalizing on opportunities.

The meeting was attended by senior officials from the ICT Division, the Digital Security Agency, the Bangladesh Hi-tech Park Authority, the Bangladesh Data Center Company Limited, and other departments. The collaboration between BASIS and the ICT Division is a positive step towards the expansion of the ICT industry in Bangladesh, and it is hoped that this partnership will contribute significantly to the country's economic growth.

Insights from JICA Survey Team in Exploring the ICT Industry of Bangladesh

A virtual meeting with the JICA Survey Team was held to discuss the state of the ICT industry in Bangladesh. The team sought answers from our team included Mr. Russell T. Ahmed, President, Ms. Samira Zuberi Himika, Senior Vice President, Mr. AKM Ahmedul Islam BABU, Director, Mr. Enamul Hafiz Latifee, Joint Secretary, and Ms. Nadia Tabassum, Asst. Manager (Trade Facilitation), BASIS.

During the meeting, BASIS delved deep into the ICT landscape of Bangladesh, covering topics such as infrastructure, investment, and innovation were highlighted. JICA experts provided valuable insights and shared their experiences, highlighting the challenges and opportunities in the industry. BASIS thanked to the JICA Survey Team for their participation and contribution to this important conversation.

Meeting with BDBL MD

A bilateral meeting between BASIS and BDBL was held on January 24, 2022 at BASIS Board Room. The meeting was presided over by BASIS President Mr. Russell T Ahmed.

Among others, Mr. Kazi Alamgir, Managing Director & CEO, Mr. Md. Refat Hasan, Deputy Managing Director, Mr. Md. M Latif Bhuiyan, General Manager, Mr. Md. Nazrul Islam, Deputy General Manager, Mr. Mohammad Noor Nabi, Principal Officer attended the meeting on behalf of BDBL.

On behalf of BASIS, Mr. Russell T Ahmed, President, Mr. Abu Daud Khan, Vice President (Admin), Mr. AKM Ahmedul Islam BABU, Director, Mr. Tanvir Hossain Khan, Director, Mr. Hashim Ahmed, Secretary, and Mr. Mehdi Islam Tanver, Assistant Manager STP-1 were present in the meeting.

Mr. Russell T Ahmed mentioned that while the government declared the country's first ICT Incubator, since then BASIS has made remarkable contributions for this building starting from ensuring uninterrupted power supply, high speed internet bandwidth to collecting rent and utility bills as Management agent. But BASIS is not getting any special benefit or incentives from BDBL. He also informed that a good number of BASIS member companies started their journey in this building and over the period hey become more vibrant and are playing important roles at the national level.

BASIS President Mr. Russell T Ahmed requested the Managing Director of BDBL to consider the unpaid amount due to legal complications, companies left their space from STP-1 without clearing their dues and the rent of vacant spaces. Also he requested to place BASIS appeals to waive the amount which is not recoverable any way to the BDBL board meeting.

Mr. Kazi Alamgir and his colleagues listened each and every issues raised by BASIS President carefully and assured him that he will place these requests to their Board Meeting for approval of the waiver.

BDBL Managing Director Mr. Kazi Alamgir and his colleagues felicitated Mr. Russell T. Ahmed for being elected as the President of BASIS with flowers and cakes.

February

Meeting with Honorable Planning Minister

On February 1, 2022, BASIS, the national trade association representing the ICT industry in Bangladesh, requested all ministries and their affiliated agencies to allocate at least 10% of their annual budget for the purchase of software and IT-enabled services (ITES). This call was made during a meeting with Honorable Planning Minister Mr. Muhammad Abdul Mannan, MP.

During the meeting, BASIS President, Mr. Russell T. Ahmed emphasized that software and ITES are critical components of internal development for government ministries. He also noted that BASIS has a significant economic impact and plays a vital role in implementing the government's e-governance projects, including fintech, edutech, healthtech, and e-commerce initiatives.

To further support the development of the ICT industry, Mr. Russell T. Ahmed proposed the formation of a working committee to finalize the RFP document and ensure that software budgets are allocated appropriately. He also suggested that the government should create less stringent conditions to encourage the participation of local software and ITES companies and provide training to government officials on software and ITES procurement.

Honorable Planning Minister Mr. Muhammad Abdul Mannan, MP, listened to all of the demands and assured BASIS of the government's full support to develop the Information and Communication Technology industry and implement their recommendations.

BASIS Senior Vice President Ms. Samira Zuberi Himika, BASIS Vice President (Admin) Mr. Abu Daud Khan, BASIS Vice President (Finance) Mr. Fahim Ahmed, and BASIS Secretary Mr. Hashim Ahmed, attended the meeting.

Kick-off Meeting of BASIS Standing Committees

A 'Kick-Off Meeting' of newly formed all Standing Committee Chairs & Co-chairs held on February 13, 2022, at the Gulshan Club in the capital. This meeting showcased the commitment of the leaders to work towards the development of the ICT sector through significant works in their respective subsectors. The Chair & Co-chairs of BASIS Advisory Standing Committee, 20 Standing Committees and various forums were present, along with the BASIS Executive Council.

"We need to work together to implement the targets established by the government for the development of the country's ICT sector," BASIS President Mr. Russell T. Ahmed remarked during the meeting. He expressed his confidence in the willingness, capability and commitment of all the members of the newly formed BASIS standing committee to work towards the growth of the industry. The President outlined the organization's seven focus areas, which include HR capacity development, industry promotion, local market expansion, international market development, startup ecosystem growth, and achieving US\$ 5 billion in export earnings.

Responding to the President's call, the leaders of all the BASIS standing committees present at the meeting expressed their determination to complete at least one significant work from each committee in the next two years.

BASIS Senior Vice President Ms. Samira Zuberi Himika, Vice President (Administration) Mr. Abu Daud Khan, Vice President (Finance) Mr. Fahim Ahmed, and Directors Mr. AKM Ahmedul Islam BABU,

Mr. Mushfiqur Rahman, Mr. Syed Muhammad Kamal, Mr. Tanvir Hossain Khan, Mr. Mostafizur Rahman Sohel, and Mr. Rashad Kabir, along with the Advisory Standing Committee of BASIS and the chairmen and co-chairmen of all standing committees and forums were present at the meeting.

BASIS EC Meets with JICA Delegates

BASIS Executive Council representatives held a meeting with the Japan International Cooperation Agency (JICA) on February 15, 2022, at the JICA office in Gulshan, Dhaka. They discussed the enormous opportunities in the ICT sector of Bangladesh. Mr. Russell T. Ahmed, the president of BASIS, outlined the organization's seven focus areas, which include HR capacity development, industry promotion, local market expansion, international market development, startup ecosystem growth, and achieving US\$ 5 billion in export earnings.

Mr. Hayakawa Yuho, the chief representative of JICA Bangladesh, emphasized the vast potential of Bangladesh's ICT sector and pledged to provide all necessary support for its development during the meeting. He highlighted JICA's active engagement with the ICT Division and related government agencies to advance the growth of the sector, including newer areas such as cyber security.

The meeting was attended by other senior representatives, including Mr. SAHEKI Takeshi; JICA Representative Mr. HIROKI Watanabe; Mr. MITSUOGI Shun, as well as BASIS Senior Vice President Ms. Samira Zuberi Himika; BASIS Vice President (Admin) Mr. Abu Daud Khan; BASIS Director Mr. AKM Ahmedul Isalm BABU; BASIS Joint Secretary Mr. Enamul Hafiz Latifee; BASIS Assistant Manager, Trade Facilitation Ms. Nadia Tabassum and BASIS Executive, Web & IT Mr. Toufig Elahi Plabon from BASIS.

Together, JICA and BASIS aim to work on the Bangladesh and Japanese ICT market opportunities to meet the vision of the current government. This partnership will promote the development of the ICT industry in Bangladesh, enhance HR capacity, and create a more conducive environment for startups.

As the ICT sector continues to grow rapidly, this collaboration between JICA and BASIS is poised to facilitate the realization of Bangladesh's digital future, while also promoting economic growth and creating new job opportunities.

Meeting with British High Commissioner

BASIS Executive Council had a meeting with the British High Commissioner to Bangladesh, H.E. Mr. Robert Chatterton Dickson, at BASIS Board room on February 16, 2022, in Dhaka.

H.E. Mr. Robert Chatterton Dickson said, "We are interested in collaborating with Bangladesh for the development of Human Resources (HR) capability and organizing Business-to-Business (B2B) matching sessions for the development of the ICT sector". He expressed his interest to provide the necessary assistance in arranging roadshows in the UK and Bangladesh to connect the ICT sectors of Bangladesh and the United Kingdom. Additionally, he expressed hope that the British Bangladeshi community would support the growth of Bangladesh's ICT industry.

BASIS President Mr. Russell T. Ahmed, in his speech at the meeting, noted that Honorable Prime Minister Sheikh Hasina had declared ICT as the product of the year for 2022 on January 1 and emphasized the seven pillars to boost the ICT exports.

To further support the ICT sector, BASIS President announced that the annual flagship event of the industry, BASIS SoftExpo, would be held in Dhaka physically. This would provide entrepreneurs from the UK with an opportunity to exhibit their products and participate in various activities such as seminars, B2B matchmaking sessions, and tech talks. The meeting was attended by Acting Head of Trade and Investment of the British High Commission Mr. Khalid Gaffar, Trade and Investment Officer of British High Commission Mr. Abir Barua, BASIS Vice President (Admin) Mr. Abu Daud Khan, BASIS Vice President (Finance) Mr. Fahim Ahmed, Directors of BASIS: Mr. AKM Ahmedul Islam BABU, Mr. Syed Mohammad Kamal, Mr. Tanvir Hossain Khan, Mr. Rashad Kabir and Executive Director M. Abu Issa Muinuddin.

Memorial Service of Ms. Luna Shamsuddoha

In remembrance of the late Ms. Luna Shamsuddoha, a pioneering figure in the ICT industry and a trailblazer for women's empowerment, BASIS, in partnership with Bangladesh Women in IT (BWIT) and Bangladesh Open Source Network (BDOSN), organized a Memorial Service on February 17, 2022. The event took place at the BASIS Auditorium, where esteemed members of the industry and other notable figures gathered to pay their respects and honor her legacy.

At the commemoration meeting, BASIS President Mr. Russell T. Ahmed announced, "This year's International Women's Day will be celebrated on March 8 in dedication to Luna Shamsuddoha and awards will be given in her name to eminent women entrepreneurs and professionals. This award will be given in

the name of Luna Shamsuddoha every year and a lab named after Luna Shamsuddoha will be started at BITM."

after Luna Shamsuddoha will be started at BITM."

Memorial

BWIT President Dr. Lafifa Jamal and BDOSN General Secretary Munir Hasan among others spoke at the memorial meeting. Former director of BASIS, Ms. Luna Shamsuddoha's impact on the industry was felt by all who worked with her, and her vision and dedication will continue to inspire.

BASIS EC Meet the Honourable Commerce Minister

BASIS EC met the Commerce Minister to accelerate the ICT industry's growth. In a meeting held on February 23, 2022, a three-member delegation from BASIS, led by BASIS President Mr. Russell T. Ahmed, met with the Honorable Commerce Minister Mr. Tipu Munshi to discuss the ICT industry's growth and development. The meeting was held in light of the Hon'ble Prime Minister Sheikh Hasina's recent declaration of ICT as the 'Product of the Year', which will play a significant role in achieving the industry's target of earning the ICT export targets.

BASIS President reiterated the importance of working closely with the government to achieve the ambitious export target. He also highlighted the significance of the ICT industry in the

country's overall development, especially in achieving the government's "Vision 2041" plan. He further mentioned that BASIS would take the lead in implementing the Honorable Prime Minister's declaration and the government's vision, working in tandem with the government.

"To achieve the export target, we are focused on developing human resources, promoting the industry, and expanding the market," said Mr. Russell T. Ahmed. "BASIS will also assist the government in policy formulation and ensuring a business-friendly environment that attracts investments. We believe that public-private joint ventures will transform the nation's economy and help achieve both short- and long-term objectives."

Commerce Minister Mr. Tipu Munshi acknowledged the proposals and demands presented by the BASIS leaders, assuring them of the government's support in carrying out reasonable requests and recommendations for the growth of the ICT sector. He expressed optimism about BASIS's efforts in making the declaration of the product of the year a success and assured that necessary actions would be taken in this regard.

BASIS Vice President (Administration) Mr. Abu Daud Khan and Vice President (Finance) Mr. Fahim Ahmed were among the others present at the meeting. With a shared vision and collaborative efforts, the ICT industry in Bangladesh can witness significant growth, transforming the nation's economy and contributing to its overall development.

March

ADB Team visits BASIS

Mr. Sameer Kumar Khare, Executive Director of Asian Development Bank (ADB) along with the Alternate Executive Director of ADB Mr. Md. Azizul Alam, the Country Director of Bangladesh Resident Mission of ADB Mr. Edimon Ginting paid a visit to BASIS on March 1, 2022. The 7-member team of ADB also includes Mr. Soon Chan Hong, Senior Country Specialist; Mr. Srivastava Pushkar, Project Management Specialist; Mr. S M Ebadur Rahman, Senior Social Sector Officer; and Ms. Faiza Ahad, Associate Project Officer (Education), Bangladesh Resident Mission, ADB.

They visited activities of ICT skills training program run at own institute of BASIS (BITM, Dhaka) which is being implemented under SEIP project of Ministry of Finance and funded by ADB. During the visit, the Executive Project Director of SEIP Mr. Ekhlasur Rahman (Additional Secretary), the Deputy Project Director of SEIP Mr. Mohammad Yasin (Additional Secretary) and the Assistant Project Director Mr. Ruhul Amin (Deputy Secretary) were also present. The team highly expressed their satisfaction to see the training program of BASIS-SEIP project.

After visiting the training activities, the ADB and SEIP teams had a meeting with Mr. Russell T. Ahmed, President of BASIS at the conference hall of BASIS secretariat. During the meeting, Mr. Abu Daud Khan, Vice President (Admin); Mr. Abu Issa Mohammad Mainuddin, Executive Director of BASIS; Mr. Hashim Ahmed, Secretary of BASIS; and Engr. Mohd. Abdul Mannan, Chief Coordinator of BASIS-SEIP Project were present. Developing skilled manpower in ICT sector and how the development vision of Bangladesh could be happened through the development of ICT sector got the main focus of discussion in the meeting. Mr. Russell T. Ahmed emphasized the importance of integration of ICT industry and academia, devising innovation in training delivery and engaging industry experts in ICT skills development training.

Mr. Sameer Kumar Khare, Executive Director of ADB and Mr. Edimon Ginting, Country Director of ADB both echoed that skills development in ICT sector should be always at per with the market demand and it is very crucial for the country. Mr. Ekhlasur Rahman, Executive Project Director of SEIP said that they are working for formulating the next phase of the SEIP project and it would create a greater opportunity to work together with BASIS.

India and Bangladesh Forge Stronger Partnership in ICT Sector

On March 2, 2022, Indian High Commissioner Expresses Interest in Advancing Bangladesh ICT Industry at a Meeting with BASIS President. During the meeting between H.E. Mr. Vikram K Doraiswami, High Commissioner of India to Bangladesh, and Mr. Russell T. Ahmed, President of BASIS, at Baridhara, the High Commissioner expressed keen interest in collaborating with Bangladesh to further develop its ICT sector.

Mr. Doraiswami stated that India is eager to work with Bangladesh in order to enhance the country's human resource and young talent pool in the ICT industry. He also pledged India's support to help BASIS create a thriving startup ecosystem in Bangladesh. In response, Mr. Russell T. Ahmed highlighted the seven pillars that BASIS is focusing on to further advance the ICT sector in Bangladesh.

The High Commissioner of India appreciated the efforts of BASIS in advancing the Bangladesh ICT industry and expressed his eagerness to facilitate collaboration between the Indian and Bangladesh ICT industries. He suggested that the High Commission of India and BASIS consider organizing thematic seminars and webinars on the startup ecosystem to disseminate Indian ICT startup success stories. BASIS also extended an invitation to Indian software companies to participate in the next BASIS SoftExpo.

Various high-level officials, including the Commercial Officer of the Indian High Commission, Dr. Pramyesh Basall, BASIS Senior Vice President Ms. Samira Zuberi Himika, BASIS Vice President (Administration) Mr. Abu Daud Khan, BASIS Director Mr. AKM Ahmedul Islam BABU, BASIS Joint Secretary Mr. Enamul Hafiz Latifee attended the meeting.

BASIS Introduces the Luna Shamsuddoha Award 2022

On March 20, 2022, BASIS, in commemoration of the pioneering ICT entrepreneur, Ms. Luna Shamsuddoha, held the first edition of the 'BASIS Luna Shamsuddoha Award' at the Grand Ballroom of Radisson Blu Dhaka Water Garden. This prestigious award recognizes exceptional women and companies that have made significant contributions in their respective fields within the ICT industry.

BASIS Unveils Inaugural 'BASIS Luna Shamsuddoha Award 2022' to Celebrate Women's Contributions to the ICT Industry. BASIS launched its first-ever award program named "BASIS Luna Shamsuddoha Award 2022" in tribute to the extraordinary work of women in the workplace and their significant contributions to our society on March 20, 2022. The award is named after Ms. Luna Shamsuddoha, an illustrious figure in the field of Information and Communications Technology (ICT) and a trailblazing entrepreneur in Bangladesh. Ms. Luna Shamsuddoha, the former President of Bangladesh Women in Technology and Chairman of the state-owned Janata Bank Limited, was the first woman to hold these positions for our country, and she played a critical role in promoting gender diversity in the ICT sector. The award program is a fitting tribute to her legacy, and BASIS aims to recognize her invaluable contribution to the industry.

The event was graced by esteemed dignitaries, including Dr. Shirin Sharmin Chaudhury, the Honorable Speaker of the Bangladesh Parliament, as the Chief Guest. Dr. Dipu Moni, MP, the Honorable Minister of Education, Government of Bangladesh; Mr. Salman F Rahman, MP, Private Industry, and Investment Adviser to the Honorable Prime Minister of Bangladesh; and Mr. Zunaid Ahmed Palak, MP, the Honorable State Minister for ICT Division of the Government of Bangladesh, were among the special guests. The event also drew a notable lineup of guests of honor, including H.E. Ms. Lilly Nicholls, High Commissioner of Canada to Bangladesh;

H.E. Ms. Nathalie Chuard, Ambassador of Switzerland to Bangladesh; Ms. Rupali Chowdhury, Managing Director, Berger Paints Bangladesh Limited; and Ms. Syeda Rizwana Hasan, Executive Director, Bangladesh Environmental Lawyers Association (BELA). The award program was attended by women from all walks of life who came together to celebrate women's contributions to the economy and society.

The award ceremony recognized 10 individual women for their outstanding achievements in their respective fields of work. Additionally, a lifetime achievement award was presented to an exceptional individual who inspired millions of women in Bangladesh and beyond. The program also honored two BASIS member companies with awards for having the largest female employment and the highest male-female employment ratio, respectively. 10 outstanding women were honored with the award for their remarkable accomplishments in various fields. Among them, Ms. Geeteara Safia Choudhury, Chairman of Graphic People and Adcomm Limited, received the Lifetime Achievement Award for her exceptional leadership and inspiring countless women in Bangladesh.

Ten women have received awards this year for their exceptional accomplishments in their separate fields of endeavor. The Lifetime Achievement Award was granted to Ms. Geeteara Safia Choudhury, Chairman of Graphic People and Adcomm Limited and former Industrial Advisor to a caretaker administration, for her great professional accomplishments and for inspiring millions of women in Bangladesh. Other recipients of the award are: Ms. Zuena Aziz, Principal Coordinator (SDG Affairs), Prime Minister's Office; H. E. Ms. Saida Muna Tasneem, Professional Diplomat and Bangladesh High Commissioner to the United Kingdom; Ms. Amena Begum, BPM, Deputy Inspector General of Police (DIG) of Bangladesh Police; Dr. Haseena Khan, Microbiologist and Professor of Biochemistry and Molecular Biology, University of Dhaka; Ms. Sonia Bashir Kabir, Founder and Managing Partner of SBK Tech Ventures and SBK Foundation; Dr. Rawshan Arra Khanam, Consultant, Department of Respiratory Medicine, United Hospital; Ms. Humaira Azam, Managing Director & Chief Executive Officer, Trust Bank Limited; Ms. Tamara Hasan Abed, Managing Director, BRAC Enterprises and Dr. Sejunti Saha, Director of Child Health Research Foundation, Bangladesh.

JETRO Bangladesh Keen to Collaborate with BASIS Japan Desk

On March 15, 2022, JETRO Bangladesh Seeks Collaboration with BASIS Japan Desk to Enhance ICT Business Opportunities in Japan. In this regard, Japan External Trade Organization (JETRO) Bangladesh has expressed interest in working together with the BASIS Japan Desk to expand the potential business prospects for Bangladeshi Information and Communications Technology (ICT) enterprises in the Japanese market. This partnership was confirmed during a meeting between JETRO Bangladesh and the BASIS Executive Council held at the BASIS Boardroom, Dhaka.

The parties agreed to establish a working group comprising JICA, JETRO, and BASIS to support the BASIS Japan Desk's initiatives. JETRO Bangladesh has shown enthusiasm in organizing B2B meetings between Bangladeshi and Japanese IT companies and in promoting Bangladesh's ICT successes through the JETRO Business News Portal. Furthermore, JETRO Bangladesh aims to assist in developing Bangladesh's startup ecosystem.

Mr. Abu Daud Khan, Vice President (Administration) of BASIS, briefed the JETRO Bangladesh representatives on the organization's plans and actions during this meeting. The meeting was attended by Mr. Yuji Ando, Country Representative, Mr. SM Shariful Alam, Senior Director, and Ms. Israt Jahan, Assistant Manager on behalf of JETRO Bangladesh, and Mr. Abu Daud Khan, Vice President (Admin), Mr. AKM Ahmedul Isalm BABU, Director, Mr. Abu Issa Mohammad Mainuddin, Executive Director, and Ms. Nadia Tabassum, Assistant Manager on behalf of BASIS. To foster successful business relationships and increase the export of Bangladesh's IT industry, the BASIS Japan Desk has focused solely on the Japanese market since its launch on June 29, 2020. It aims to benefit BASIS members by facilitating B2B Matchmaking sessions, introducing potential Japanese ICT Companies, researching the Japanese market, and participating in Japan-based IT events.

The European Union is Keen to Explore ICT Trade and Investment Opportunities in Bangladesh

On March 20, 2022, the Delegation of the European Union to Bangladesh and BASIS had a meeting to discuss potential collaboration in the ICT sector between Bangladesh and the European Union. During the meeting, the Head of Delegation and H.E. Ambassador, Mr. Charles Whitely, expressed his keen interest in partnering with BASIS to explore the untapped areas of cooperation and investigate the ICT-related potential between the two regions. The Ambassador emphasized the importance of digital governance and the capacity building of private and public sectors in reaching the country's ICT development goals promptly. He praised Bangladesh's progress in the ICT sector and identified many areas where EU member countries could collaborate on rendering technical support such as renewable energy, skills development, up-skilling, and reskilling, and some special programs for high-tech jobs.

BASIS President, Mr. Russell T. Ahmed, highlighted the success stories of their digital governance projects, which could offer global standard solutions at an affordable price to EU countries.

The meeting was attended by high-level officials from both parties, including the Second Secretary of the EU Delegation, Trade Advisor, and BASIS directors: Mr. AKM Ahmedul Islam BABU and Mr. Tanvir Hossain Khan. This partnership signifies a promising opportunity for Bangladesh to expand its ICT industry and collaborate with EU member countries, paving the way for a brighter future in the digital age.

Turkey Interested to Collaborate with Bangladesh ICT Sector

During a meeting held at the Turkish Embassy in Baridhara on March 21, 2022, H.E. The Turkish Ambassador to Bangladesh, Mr. Mustafa Osman Turan discussed Turkey's enthusiasm to work with Bangladesh in the ICT sector.

BASIS President, Mr. Russell T. Ahmed highlighted the significance of ICT, which was named "The Product of the Year" for 2022 by Honorable Prime Minister Sheikh Hasina. He further stated that BASIS is committed to improving the ICT sector by focusing on seven pillars and helping the industry reach its export earnings targets. In response, H.E. Mr. Turan expressed Turkey's interest in collaborating with BASIS to enrich Bangladesh's ICT sector. He emphasized Turkey's eagerness to participate in roadshows, business-to-business mixers, and the upcoming BASIS SoftExpo. Mr. Turan also spoke about BASIS' partnership with Startup Istanbul, the leading startup hub of Turkey, which brings together founders, investors, and executives in the region.

The meeting was attended by Mr. Kenan Kalayci, commercial counselor of Turkish Embassy; Mr. Abu Daud Khan, Vice President (Admin) of BASIS; Mr. AKM Ahmedul Islam BABU, Director of BASIS; Mr. Enamul Hafiz Latifee, Joint Secretary of BASIS, among others. Overall, the meeting highlighted the commitment of both Turkey and BASIS to collaborate and improve the ICT sector in Bangladesh. Responding to that, H.E. Mr. Mustafa Osman Turan mentioned that they are very keen to collaborate with BASIS in the enrichment of Bangladesh ICT sector. He emphasized that Turkey is eager to participate in roadshows, business-to-business matchmaking, and, above all, the upcoming BASIS SoftExpo.

Additionally, he spoke about BASIS' partnership with Startup Istanbul which is the leading startup hub of Turkey that brings together founders, investors, and executives in the region.

Bangladesh High Commissioner to the UK Visits BASIS

At a meeting held on March 24, 2022, between BASIS President Mr. Russell T. Ahmed and Her Excellency Bangladesh High Commissioner to the UK Ms. Saida Muna Tasneem, plans were unveiled to hold a high-profile event in London in June 2022 aimed at showcasing the innovative strides being made by Bangladesh's ICT sector in the UK market.

H.E. Ms. Saida Muna Tasneem, an ardent supporter of Bangladesh's ICT industry, expressed her eagerness to extend her full support to BASIS in organizing the event. She also voiced her interest in facilitating a Business-to-Business (B2B) matchmaking session between Bangladeshi ICT firms and their UK counterparts. During the meeting, Mr. Russell T. Ahmed underscored BASIS's unwavering commitment to achieving the government's export goals. He highlighted the UK as one of the most promising markets for Bangladeshi ICT exporters. As a gesture of appreciation, BASIS President Mr. Russell T. Ahmed presented H.E. Ms. Saida Muna Tasneem with the BASIS Luna Shamsuddoha Award 2022. The award is named after the late Ms. Luna Shamsuddoha, a trailblazer in Bangladesh's ICT sector, and was launched recently by BASIS to honor outstanding women who have made remarkable contributions in their profession.

A Seminar on "State of Gaming and Metaverse Industry of Bangladesh"

The Standing Committee on Games, XR, and NFTs organized a seminar titled 'State of the Gaming and Metaverse Industry of Bangladesh' on March 28, 2022, where experts from the ICT industry shared their knowledge, success stories, and case studies with the attendees. The keynote speaker, Mr. Md Sanjar Adnan Alam, CEO of Debug BD Limited, delivered an insightful talk on the latest developments in the field of gaming and extended reality.

Among the highlights were case studies presented by Meteorite games and Thunder Games on Angular ESports, while Mr. Tanvir Hossain, Director of BASIS and CEO of Dreamers Lab Ltd., presented a case study on XR, and Mr. Shams Mohammad Tarek, Managing Director of BDTSK Limited, presented a case study on NFT. The seminar was open to all, and attendees included representatives from the Standing Committee and notable BASIS organizations, as well as university students who attended both in person and virtually. Mr. Ershadul Haque, Chairman of the Standing Committee on Games, XR, and NFTs, expressed his belief that this seminar would be beneficial to those seeking a career in Games Development, XR, and NFT, and stated that the committee intends to hold more large-scale events this year. Mr. M. Asif Rahman was present as a representative of the seminar management and advisory standing committee, while Mr. Taufiq Elahi Plaban was present as member-secretary in charge of BASIS Secretariat.

23rd AGM of BASIS

The 23rd Annual General Meeting (AGM) of BASIS was held on March 31, 2022, at IDEB, Kakrail, Dhaka. BASIS President, Mr. Russell T. Ahmed presided over the meeting. Former BASIS presidents, directors, standing committee chairs and co-chairs and significant members of BASIS attended the AGM.

During the meeting, the 2021 annual report and the audited financial report for fiscal year 2020-2021 were presented, and auditors were appointed to audit the income and expenditure accounts for fiscal year 2021-22. BASIS members participated in fruitful discussions and shared their insights based on the reports presented at the meeting.

Members urged for more effective action by BASIS leaders in developing the ICT sector, particularly in creating a business-friendly environment for BASIS members. In response, BASIS leaders outlined the corporate action plan, focusing on seven pillars to support the growth of intangible assets, and promotion of the IT sector. The BASIS President expressed optimism about the implementation of BASIS's 100-day action plan and requested spontaneous cooperation from members in the implementation of future plans. It was announced at the meeting that BASIS SoftExpo would be held and members were invited to participate in the BASIS lftar program on April 10, 2022. This year's annual general meeting saw representatives from BASIS members attending, highlighting the importance of the event in reviewing the progress of the ICT sector in Bangladesh.

April

BASIS Leaders Meet Dutch Ambassador to Dhaka

BASIS President Mr. Russell T. Ahmed met H.E. Mr. Anne van Leeuwen, the Ambassador of the Royal Netherlands Embassy, on April 4, 2022. During their conversation, the Ambassador expressed his admiration for the remarkable progress of Bangladesh's ICT industry, particularly in the areas of frontier technologies and economic transformation. In the spirit of mutual cooperation, they agreed to work closely together to strengthen the bilateral trade relations and explore additional opportunities for deepening ICT ties between the two countries. Furthermore, the two dignitaries exchanged views on a wide range of ICT trade issues, including challenges and opportunities.

The meeting was attended by a distinguished group of BASIS leaders, including Ms. Samira Zuberi Himika, Senior Vice President; Mr. Abu Daud Khan, Vice President (Administration); Mr. Syed Mohammad Kamal, Director; and Ms. Nadia Tabassum, Assistant Manager, Trade Facilitation. Additionally, Ms. Monnujan Khanam, Senior Adviser, Economic & Commercial Affairs, Embassy of the Kingdom of the Netherlands, and Ms. Mahjabeen Quader, Senior Adviser, Economic and CSR Activities, Embassy of the Kingdom of the Netherlands, also attended.

Meeting with EIPO Delegations

On April 10, 2022, The Eindhoven International Project Office (EIPO) delegation from the Netherlands, recognizing the immense potential for a BASIS partnership, met with Mr. Russell T. Ahmed, BASIS President, to discuss collaboration opportunities. Mr. Joost Helms, EIPO Director, shared how they are leveraging the knowledge and expertise of the Brainport Eindhoven region and the Triple Helix collaboration model during the meeting. He highlighted how the Dutch economy is flourishing, and Brainport Eindhoven is growing seven times faster than the national average, adding over 11,000 new jobs in a decade, which necessitates more recruitment and talent acquisition.

In response, Mr. Russell T. Ahmed acknowledged that Bangladesh produces a significant number of IT graduates each year and emphasized the need to engage the industry in human resources development. He expressed interest in following the Brainport Eindhoven model to build a mechanism from Bangladesh's perspective and promoting the ICT industry on international platforms to highlight the readiness of local companies. He further discussed BASIS's focus on seven pillars, including HR capacity building, local market development, international market development, ecosystem for startups, industry promotion, finance access, and policy development to aid intangible asset growth.

Both parties agreed to collaborate on industry promotion, B2B matchmaking sessions, and investment-generating activities to strengthen ties in the ICT industries of both countries. The delegation also expressed an interest in attending the next BASIS SoftExpo. Attending the meeting were Mr. Peter Portheine, Director, EIPO; Mr. A. B. (Bas) Blaauw, First Secretary, Embassy of the Kingdom of the Netherlands; Ms. Mahjabeen Quader, Senior Adviser, Economic and CSR Activities, Embassy of the Kingdom of the Netherlands; and Mr. A N A Mushabbir, Director, Amfinity Consulting.

BASIS Iftar and Doa Mahfil at Raowa Convention Center

BASIS successfully hosted an Iftar and Doa Mahfil at the RAOWA Convention Center. The event was graced by the presence of senioir leaders including Senior Vice President Samira Zuberi Himika, Vice President (Admin) Abu Daud Khan, Vice President (Finance) Fahim Ahmed and Directors: Mr. AKM Ahmedul Islam BABU, Mr. Mushfiqur Rahman, Mr. Syed Mohammad Kamal, Mr. Tanvir Hossain Khan and Mr. Rashad Kabir.

This event brought together key stakeholders from BASIS member companies, high-ranking officials from various public and private organizations, trade organization leaders related to information technology, and media representatives, who all joined in the spirit of the occasion.

MoU signing with Sheba Platform

A Memorandum of Understanding (MOU) was signed between BASIS and Sheba Platform Limited on April 21, 2022, marking a significant milestone in the technology industry. The MoU signing ceremony was graced by the presence of Mr. Md. Shahjalal, Chairman of the Standing Committee on BASIS Member Services and Welfare, and Mr. Abu Issa Mohammad Mainuddin, Executive Director.

Under this agreement, BASIS members will be entitled to exclusive discounts for utilizing the Human Resource Development Application (DigiGo) from Sheba Platform Limited, offering more opportunities for growth and development. The MoU was signed by Mr. Hashim Ahmed, Secretary of BASIS, and Mr. Mohammad Ilmul Haque, Chief Operating Officer of Sheba Platform Limited. The signing ceremony also saw the attendance of Mr. Jawad Mobasshir from Sheba Platform Limited, and Ms. Razonno Mugdha, Mr. Rajib Ahmed, Mr. Redwanul Islam Rahat, and Mr. Md. Sazzadur Rahman Shawon from BASIS Secretariat. This partnership not only strengthens the bond between BASIS and Sheba Platform Limited but also underscores their commitment towards revolutionizing the ICT industry. As we move forward, we look forward to more groundbreaking innovations and initiatives that will shape the future of technology.

MoU signing with GAASL for Airport Services

On April 21, 2022, BASIS took another step towards enhancing the welfare of its members by signing a Memorandum of Under- standing (MoU) with Global Airport Assisting Services Ltd. (GAASL). The MoU offers BASIS members exclusive discounts on airport services and pick-up drop services. The signing ceremony was attended by Mr. Md. Shahjalal, Chairman of the Standing Committee on BASIS Member Services and Welfare, and Mr. Abu Issa Mohammad Mainuddin, Executive Director. BASIS Secretary, Mr. Hashim Ahmed, and GAASL Managing Director, Mr. Farhan Atif Khandkar, signed the MoU on behalf of their respective organizations, Md. Khalekuzzaman, Manager of Operations, and Homayara Akter, Executive (Brand & Corporate Affairs) from GAASL, along with Ms. Razonno Mugdha, Manager, and Mr. Md. Sazzadur Rahman Shawon, Senior Executive, from BASIS Secretariat, was also present to witness the signing.

This partnership underscores BASIS's commitment to providing tangible benefits to its members while strengthening ties with the aviation industry. With the signing of this MOU. BASIS members can now enjoy cost-effective and reliable airport services from GAASL, a leading player in the aviation service sector. We are confident that this partnership will help to enhance the travel experi ence of our members while contributing to the growth of the ICT and aviation industries.

Knowledge Session on Blockchain-based Traceability Challenge 2022

A game-changing ICT initiative, a knowledge session on the Blockchain-Based Traceability Challenge 2022 took place at the BASIS Auditorium on April 23, 2022, organized by BASIS, ICT Division, and the a2i Innovation Lab. The event was moderated by Mr. AKM Ahmedul Islam BABU, Director of BASIS, and presided over by Mr. Russell T. Ahmed, BASIS President, with the participation of BASIS members.

Mr. Ahmedul Islam BABU, BASIS Director, stressed the importance of finding local IT-based solutions, specifically block-chain-based ones, to address traceability issues across all sectors.

Mr. Russell T. Ahmed, BASIS President, suggested engaging with sectoral associations and district chambers to develop tailored ICT solutions that could boost productivity and help launch a pilot solution by October. Speakers Mr. Anir Chowdhury, Policy Advisor for the a2i Programme, and Mr. Khondokar Atique E Rabbani, Chief of the Blockchain Academy for Research, Education, and Development (BARED), provided insights on blockchain technology and the challenge, highlighting the three goals: finding a blockchain-based generic solution that solves specific problems, establishing Bangladeshi IT firms as experts, and creating a supportive environment with proper policy implementation.

Mr. Syed Nasim Manzur, President of the Leathergoods and Footwear Manufacturers and Exporters Association of Bangladesh (LFMEAB), and Mr. Md. Shafiqur Rahman Bhuiyan, Chairman, Agro Food ISC discussed the challenges of the leather and agriculture industries, respectively, and the benefits of implementing 4IR technologies to ensure transparency and authenticity of data captured.

The Head of Technology, Innovation Lab, a2i Programme, Mr. Faruq Ahmed Jewel, shared details on how BASIS members could participate in the challenge, while Mr. Md. Ibnul Wara, Managing Director, Austan, suggested that this technology could also address organized farming and regulating slaughterhouses in the region, ensuring high-quality rawhide for the leather goods and footwear exporting sectors. The Blockchain-Based Traceability Challenge 2022 is a game-changing ICT initiative that aims to provide scalable solutions to traceability issues across all sectors, establishing Bangladeshi IT firms as global experts in this field.

BASIS "Sangbadik Adda and Iftar"

The ICT industry continues to be a driving force behind Bangladesh's growth, and the BASIS Sangbadik Adda exemplifies the power of collaboration in this dynamic sector. On April 24, 2022, more than 100 journalists from across the country gathered at Rainy Roof Restaurant & Café in Karwan Bazar, Dhaka for the annual BASIS Iftar & Doa Mahfil.

The BASIS Sangbadik Adda was a powerful reminder of the potential that can be unlocked when we work together towards a common goal. By fostering collaboration, sharing knowledge, and building strong relationships, we can create a more vibrant, inclusive, and prosperous future for all citizens.

Meeting with Swedish Ambassador

During a meeting held on April 25, 2022, Mr. Russell T. Ahmed, President of BASIS, proposed a collaboration to H. E. Ambassador Ms. Alexandra Berg von Linde, highlighting the labor market competitiveness of Bangladesh as a potential advantage for both countries. The meeting took place at the Swedish Embassy in Dhaka, with H. E. Ambassador Ms. Alexandra Berg von Linde in attendance.

The ambassador praised Bangladesh's ICT industry for its recent advancements in frontier technologies and encouraged sharing its successes with the world. She also expressed hope for the two countries' private sectors to work together to protect their shared interests in the ICT industry.

Mr. Russell T. Ahmed, President of BASIS, also emphasized the importance of exchange delegations between Sweden and Bangla desh and invited suitable counterparts from Sweden to attend the SoftExpo 2022, to witness firsthand how Bangladesh has transformed itself into a frontier technology-leading country. "We will collaborate and explore potential Bangladesh-Sweden Collaboration to promote Bangladesh's ICT industry to Sweden and Nordic countries," he added.

Moreover, BASIS President, Mr. Russell T. Ahmed mentioned that our honorable Prime Minister Sheikh Hasina has declared ICT as the "Product of the Year" for 2022, making it essential to promote the ICT industry on an international stage to showcase the readiness of local companies. He also shared that BASIS's Executive Council has begun working on seven pillars to excel in the ICT industry, including HR capacity building, developing the local and international market scenario, creating a thriving ecosystem for startups, industry promotion, access to finance, and formulating policies to help grow intangible assets.

H.E. Ambassador of Sweden, Ms. Alexandra Berg, Von Linde assure to support the need the rebrand and redefine Bangladesh's ICT sector to further explore Swedish interests in the country. She expressed her hope that Swedish ICT entrepreneurs would be interested in attending the upcoming BASIS SoftExpo.

Ms. Anna Svantesson, First Secretary, Political & Commercial Affairs, Embassy of Sweden, Mr. Syed Mohammad Kamal, Director, BASIS, and Mr. Enamul Hafiz Latifee, Joint Secretary (Research Fellow), BASIS were present at the meeting. The proposed collaboration between Sweden and Bangladesh in the ICT industry holds potential for advancing both countries and their shared interests.

MoU Signing with Runner Automobiles

A Memorandum of Understanding (MoU) was signed between BASIS and Runner Automobiles Limited, marking the beginning of a fruitful partnership on April 26, 2022. Under the terms of the agreement, BASIS members are now eligible for exclusive discounts on selected models of motorbikes from Runner Automobiles Limited. The signing ceremony was graced by several distinguished personalities, including Mr. Md. Shahjalal, Vice President (Admin), Mr. Abu Daud Khan, Director, Mr. Ahmedul Islam Babu, and Executive Director Mr. Abu Issa Mohammad Mainuddin. Mr. Hashim Ahmed, Secretary, and Mr. Sanat Dutta, Chief Financial Officer, Runner Automobile who signed the MoU. On behalf of additionally, Mr. Rezaul Karim and Mr. Abdus Sattar were present from Runner Automobiles Limited, and Mr. Md. Sazzadur Rahman Shawon from BASIS Secretariat.

May

Introducing a Personalized Approach to Onboard New Members: "Welcome to BASIS"

In an effort to foster stronger relationships with its new members and improve their overall experiences, BASIS has launched the "Welcome to BASIS" program held on May 14, 2022 at the BASIS Auditorium. This event will serve as a platform for members to share their feedback and experiences since joining the organization.

BASIS President, Mr. Russell T. Ahmed, extended a warm welcome to all new members and highlighted that "Today, we will have an opportunity to discuss how BASIS can cater to your specific needs and offer tailored services to meet your business goals. We will also provide an overview of the various networking opportunities and information resources available to BASIS members."

The President's address was followed by an interactive session where members were invited to share their feedback on BASIS' services, communications, and activities. The feedback received will be utilized to further improve and enhance the organization's offerings to its members. BASIS recognizes that our members are at the heart of our organization. By launching the "Welcome to BASIS" program, we aim to establish a stronger connection with our new members and provide them with the support they need to thrive in the ICT industry. In the begining of this session, a overview of BASIS, its activities and Member Services were presented before them.

Seminar on Grow Your Business Through Web Services

On May 28, 2022, the BASIS Auditorium was the venue for an insightful seminar on how businesses can grow through the use of web services. The event, titled "Grow Your Business Through Web Services," drew in prominent personalities, with the presence of Mr. Russell T. Ahmed, the President of BASIS, and Mr. AKM Ahmedul Islam BABU, Director of BASIS.

Attendees gained valuable insights into the latest trends in web services and how these can be harnessed to boost their businesses. The seminar provided a unique opportunity for business owners and leaders to connect with experts in the ICT industry and exchange ideas on how to leverage the power of web services for growth.

As we reflect on the year 2022, this seminar stands out as a pivotal moment in the journey of many businesses. By embracing web services, organizations can unlock new possibilities for innovation and competitiveness in today's rapidly changing business landscape.

JICA-JETRO BMEET Kick-off Meeting at BASIS

A kick-off meeting between Japan International Cooperation Agency (JICA), Japan External Trade Organization (JETRO) and Bangladesh Miyazaki ICT Engineers Educational Training Project (B-MEET) held on May 18, 2022. The meeting brought together, including Mr. Russell T. Ahmed, President of BASIS, Ms. Samira Zuberi Himika, Senior Vice President of BASIS, Mr. Abu Daud Khan, Vice President (Admin) of BASIS, and Mr. AKM Ahmedul Islam BABU, Director of BASIS.

The JICA-JETRO-B-MEET Kick-Off meeting marked a momentous occasion for the ICT industry, and it was a forum to discuss and strategize the industry's future. The meeting was focused on fostering collaborations and partnerships, as well as identifying opportunities for growth and development.

Meeting with ADB Country Director

On May 23, 2022, a momentous event transpired as industry leaders convened at the prestigious ADB headquarters located at Plot E-31, Sher-e-Bangla Nagar, Dhaka 1207. Among the eminent attendees were Mr. Russell T. Ahmed, President of BASIS, and Mr. Abu Daud Khan, Vice President (Admin) of BASIS, who participated in a pivotal meeting with none other than Mr. Ginting, the esteemed Country Director of ADB.

Overall, this meeting stands as a testament to the power of collaboration and knowledge-sharing in fostering growth and progress in the ICT industry, and represents a significant milestone in the journey towards a more prosperous Bangladesh. The ideas and insights generated during this meeting will undoubtedly serve as a foundation for future progress and success in this vital field.

June

Workshop on Science of Happiness at Workplace

On June 4, 2022, The Women in IT Standing Committee organized a workshop on the Science of Happiness at Workplace at the BASIS Auditorium. The workshop was conducted by wEvolve's Ms. Shaheen Nafisa Siddiqui, Ms. Tasnia Akhter Shiva, and Mr. Md. Mostafizur Rahman, and aimed to improve workplace happiness, mental health, and coping skills.

BASIS Women in IT Standing Committee Chairman, Mr. Habib Ullah Tuhin, led the workshop and was joined by Co-Chairman Ms. Nishat Mushfiqua and other members. Attendees included BASIS Vice President (Administration), Mr. Abu Daud Khan, Advisory Standing Committee representative Mr. M. Rashidul Hasan, and Mr. Rezwana Khan. The closing speech was delivered by BASIS President, Mr. Russell T. Ahmed, with about 80 representatives from BASIS member companies in attendance.

This workshop provided valuable insights into improving workplace well-being and maintaining positive mental health. The Science of Happiness at Work is an essential aspect of the ICT industry, and this workshop emphasized the importance of investing in employee happiness for improved productivity and job satisfaction.

BASIS Budget Reaction

On June 4th, 2022, the Women in IT Standing Committee organized a workshop on the Science of Happiness at Workplace at the BASIS responded to the 2022-2023 budget, expressing concerns that it did not fully reflect their proposals. Despite the budget increasing the allotment for the IT industry by 16.69%, or around Tk. 274 crores, the Executive Council of BASIS claimed there was no clear indication of which projects or sectors would be funded, nor how the money would benefit IT industry entrepreneurs.

At the press conference, Mr. Abu Daud Khan, Vice President (Admin), was joined by Mr. Fahim Ahmed, Vice President (Finance), BASIS, and Mr. AKM Ahmedul Islam Babu, Director, BASIS.

They expressed their concerns with the budget's lack of support for the IT sector, particularly in regards to the government's failure to extend tax exemption for foreign investment beyond 2024, impose a 5% withholding value-added tax on local software and technology-based services, and allocate at least 10% of the budget for the internal development of all ministries and affiliated agencies, including the purchase of software.

Moreover, BASIS proposed creating a fund of at least Tk. 300 crore to provide loans to women at a 2% interest rate to increase their participation in the IT sector. The organization also recommended government financial incentives of 10% of the monthly salary of female officers or employees employed by job creation software and IT companies to further promote women's employment in the ICT sector. However, these proposals were not taken into consideration in the budget.

BASIS also addressed cybersecurity concerns, recommending the creation of a tariff rate for cyber security software and the establishment of a code for its development, both of which were excluded from the budget speech. The organization further suggested the inclusion of Platform as a Service and Software as a Service in the definition of ITES, but this was not considered in the budget either.

The private sector's role in the IT industry, which serves as the backbone of Bangladesh's economy, was not given enough attention in the budget, according to Mr. Fahim Ahmed, Vice President (Finance), BASIS,. The organization proposed a stimulus package of Tk. 2,000 crore at a 5% government-subsidized interest rate specifically for the ICT sector to compensate for the losses incurred by the pandemic. Additionally, BASIS recommended the multiplication of domestic laptop production to avoid an increase in the price of imported laptops due to the proposed 15% value-added tax on essential IT equipment such as laptops, printers, and toners.

Mr. Fahim Ahmed, Vice-President (Finance), BASIS further expressed hope that the government would take these proposals and issues into consideration during budget discussions to ensure the growth and development of the ICT sector in Bangladesh.

Smart Bangladesh: ICT's Contribution to the National Development

On June 12, 2022, at the Radisson Blu Dhaka Water Garden in the capital, BASIS and other private sector actors have effectively implemented the "Digital Bangladesh" initiatives launched by our honorable Prime Minister Sheikh Hasina. As a result, BASIS saw an opportunity to now bring "SMART Bangladesh" to life.

To highlight the significance of the ICT industry in Bangladesh's national development, BASIS organized an event titled "SMART Bangladesh: Role of ICT Industry." The event identified issues that needed to be quickly addressed with the help of government policies.

The event showcased success stories of BASIS members in implementing the "Digital Bangladesh" initiative. Notable speakers included Mr. Fahim Ahmed BASIS, Vice President (Finance), who discussed the startup sector; Mr. Nazim Farhan Chowdhury, Advisor on International Market Development, BASIS, and Managing Director of Adcomm Ltd., who talked about the e-commerce sector; Mr. Wasim Alim, Founder and CEO of Chaldal.com, who also shared insights on the e-commerce sector; Mr. Nahid Hasan, Chairman of BASIS 4IR Standing Committee on Frontier Technologies; and Mr. Wahidur Rahman Sharif, President of BACCO, who spoke on the Contact Center and BPO sector.

The discussion was moderated by Mr. Abu Daud Khan, Vice President (Admin) of BASIS, and participated in by Hon'ble Minister Mr. Mustafa Jabbar, Ministry of Posts, Telecommunications and Information Technology, as the Chief Guest; Hon'ble State Minister Mr. Nasrul Hamid, MP, Ministry of Power, Energy and Mineral Resources; and Hon'ble State Minister Mr. Zunaid Ahmed Palak, MP, ICT Division, as Special guests. Dr. Rubana Haque, Former President of BGMEA and Vice Chancellor of Asian University for Women, was the Guest of Honour. Mr. Mostafa Rafiqul Islam Duke, Managing Director of Flora Telecom Limited, also attended as a Guest Speaker. BASIS President Mr. Russell T. Ahmed also took part in the discussion.

Hon'ble Minister Mr. Mustafa Jabbar highlighted that Bangladesh has successfully implemented the "Digital Bangladesh" initiative and has set examples for others to follow. He emphasized that there are many success stories in the domestic ICT sector, and the country has the potential to grow further. The government will support the ICT sector in all aspects.

Hon'ble State Minister of the Ministry of Power, Energy and Mineral Resources, Mr. Nasrul Hamid, MP, noted that Bangladesh is the only country in the world that mandates providing energy for everyone, and the government has successfully ensured it. He believes that the IT industry can grow significantly with the help of their ministry, and the goal for the IT sector should not be limited to \$5 billion but should aim for \$200 billion.

Hon'ble State Minister Mr. Zunaid Ahmed Palak, MP, of the ICT Division, highlighted that the government fosters a favorable atmosphere for businesses and is pushing to extend the corporate tax holiday facility in the sector from 2024 to 2030. In response to BASIS President Mr. Russell T. Ahmed's demands, he pledged their help in creating a significant Research & Development Wing.

Dr. Rubana Haque, former President of BGMEA and Vice Chancellor of Asian University for Women, spoke about the potential of the IT sector to help the garment sector reach a new level through smart production and new innovations. She also emphasized the need to proceed with caution to maintain employment growth.

Mr. Russell T. Ahmed, President of BASIS, discussed the organization's seven pillars. He also mentioned the initiative to transform BITM into a university to develop skilled human resources.

Workshop on "Readiness for Access to Finance"

On June 14, 2022, the BASIS Standing Committee Access to Finance and New Investments organized a transformative workshop on "Readiness for Access to Finance." This workshop, held at the BASIS Auditorium, was attended by including Mr. Md. Ishtiakh Matin, Chairman, Mr. Md. Shafiqul Alam LLB., FCS, FCMA, FCA, Co-Chairman, Mr. Shah Imraul Kaeesh, Representative from Advisory Standing Committee, and Mr. Aminur Rahman, Manager, Accounts, BASIS.

With over a hundred BASIS members in attendance, this workshop was an inspiring opportunity for professionals in the ICT industry to gain insights on how to access finance and new investments. The event featured dynamic discussions and engaging activities, providing attendees with practical tips on how to be ready for accessing finance.

The workshop focused on empowering BASIS members to overcome common obstacles when seeking access to finance, and highlighted the importance of building strong relationships with financial institutions.

The workshop on "Readiness for Access to Finance" was an essential event for BASIS members who are looking to grow their businesses in the ICT industry. This engaging workshop has provided invaluable opportunities for attendees to learn from some of the top minds in the industry and take the necessary steps to access finance and new investments.

Roundtable on "Potential of InsurTech in Advancing Bangladesh's Economy"

The BASIS Standing Committee on FinTech & Digital Payment on June 15, 2022, organized a Roundtable Discussion to explore the enormous potential of InsurTech in driving Bangladesh's economy forward. Under the able moderation of Mr. Fida Haq, Co-Chairman of the committee, delved into the various ways in which InsurTech can transform the insurance industry, and by extension, the broader economy.

The event was graced by the presence of luminaries from the industry, including Mr. Fahim Mashroor, Chairman of the BASIS FinTech Standing Committee, Mr. Md. Motassir Khandaker, Deputy Manager, and Mr. Majharul Islam, Executive BASIS, among others.

The discussion also highlighted the challenges facing the growth of InsurTech in Bangladesh and the steps that can be taken to overcome them. The participants stressed the need for collaboration between the public and private sectors, the importance of a supportive regulatory environment, and the role of education and awareness-raising in fostering innovation and entrepreneurship in the InsurTech space.

This was a valuable round table for exchanging ideas and insights on the potential of InsurTech in advancing Bangladesh's economy. The event highlighted the critical role that technology and innovation can play in driving economic growth and development, and the importance of collaboration, education, and regulatory support in unlocking this potential.

Meeting with Economic Counselor of US Embassy

On June 21, 2022, a fruitful meeting was held between Mr. Jeffrey Dirks, the Commercial and Economic Counselor of the Embassy of the United States of America in Bangladesh, and Mr. Russell T. Ahmed, the President of BASIS, at the BASIS office. The meeting aimed to discuss potential collaboration opportunities between the two countries, with a particular focus on the ICT industry.

Both parties acknowledged that such collaborations would be instrumental in strengthening the bilateral trade relationship between Bangladesh and the USA, during the meeting. BASIS President, Mr. Russell T. Ahmed emphasized that BASIS has already taken significant steps towards promoting the ICT industry, focusing on seven pillars.

The meeting was attended by several representatives from BASIS, including Ms. Samira Zuberi Himika, Senior Vice President; Mr. Abu Daud Khan, Vice President (Admin); Mr. M Rashidul Hasan, Representative of Advisory Standing Committee; Ms. Rezwana Khan, Representative of Advisory Standing Committee; Mr. Abu Issa Mohammad Mainuddin, Executive Director, and Ms. Nadia Tabassum, Assistant Manager, Trade Facilitation. Ms. Sivani Rasanayakam, Environment, Science, Technology, and Health Officer, and Ms. Sheila Ahmed, Economic/Commercial Specialist, represented the Embassy of the United States of America.

We believe that the meeting between the Economic Counselor of the US Embassy and the President of BASIS proved to be a productive one, with both parties expressing optimism about the potential collaboration opportunities. The discussions held during the meeting would undoubtedly contribute to the growth and development of the ICT industry in Bangladesh, and the strengthening of the bilateral trade relationship between the two countries.

BASIS Signs MoU with 'Sustho'

This Memorandum of Understanding (MoU) entails a special discount on fitness and health transformation services for BASIS members, signed on June 22, 2022, between BASIS and Sustho.

The MoU was signed by Mr. Abu Isa Mohammad Mainuddin, Executive Director of BASIS, and Mr. Md. Abdul Mukit, the founder of Shustho. The signing ceremony was graced by the presence of Mr. Samadrita Bhowmick, Community Engagement Associate from Shustho, and Mr. Monirul Haque, Mr. Rajib Ahmed, and Mr. Md. Sazzadur Rahman Shawon from BASIS Secretariat.

This strategic collaboration between BASIS and Shustho aims to promote the well-being of BASIS Members by providing easy access to top-quality health and fitness services. The partnership reflects a strong commitment towards building a healthier and more productive workforce in the ICT industry.

Seminar on Cybersecurity Framework and Ecosystem: Strategy, Impact, and Challenges

BASIS delved into the intricacies of cybersecurity, with a specific focus on the framework and ecosystem strategy, impact, and challenges through a seminar by the BASIS Standing Committee on Digital Security on June 23, 2022. The event was graced by distinguished personalities, including Mr. Lutfor Rahman, Chairman, Mr. Delwar Alam, Co-chairman, Ms. Rezwana Khan, Representative from Advisory Standing Committee, Mr. Mostafizur Rahaman Sohel, Director-in-charge, and Mr. Masudur Rahman, Secretariat-in charge of the BASIS Standing Committee on Digital Security. The seminar proved insightful,

as throughout the seminar, participants received a comprehensive overview of the issues surrounding cybersecurity, ultimately enhancing their understanding of this critical field.

New Milestone in ICT Branding: BASIS Promotion Campaigns in Four European Countries

On June 28, 2022, BASIS, the leading IT business association in Bangladesh, held a press conference at the BASIS Auditorium to announce their upcoming participation in ICT promotion campaigns in four European countries: Austria, Hungary, Slovakia, and the United Kingdom. The campaign, which was supported by the Export Promotion Bureau (EPB), Bangladesh High Commission in London, and Bangladesh Mission and Permanent Embassy in Vienna, aimed to highlight Bangladesh's enormous export potential in the ICT sector and position it as the next ICT powerhouse. During their visit to Europe, the BASIS delegation met with approximately 350 companies.

At the press conference, BASIS President Mr. Russell T. Ahmed emphasized the organization's commitment to increasing ICT sector exports and reaching the ambitious goal of US \$5 billion in earnings. BASIS Senior Vice President Ms. Samira Zuberi Himika added that BASIS member companies are conducting business not only in Europe but also in other regions around the world.

As part of this year's campaign, the BASIS delegation visited Austria, Slovakia, Hungary, and the United Kingdom, with the flagship event being the Global Sourcing Association's "Festival of Sourcing" held in the United Kingdom. For the first time, BASIS set a new milestone by becoming the "Headline Partner" of the event. Through their continuous efforts to advance the IT sector and expand its footprint in foreign markets, BASIS is making significant strides in ICT branding and promoting Bangladesh's potential as an ICT powerhouse.

July

BASIS Highlights Bangladesh as the Next ICT Powerhouse to Central Europe

On June 30-July 01, 2022, the Embassy and Permanent Mission of Bangladesh in Vienna organized 'Economic Diplomacy Week' in collaboration with BASIS, the Austrian Federal Economic Chamber (WKO), IT Association of Slovakia (ITAS), and Honorary Consulate of Bangladesh to Budapest, Hungary by holding back-to-back Business Meetings in Austria, Slovakia, and Hungary under the theme 'Thriving IT Industry of Bangladesh and its prospects'.

On June 30, 2022, a 'Business Roundtable' took place at the premises of the Austrian Federal Economic Chamber (WKO) in Vienna. The event was participated by Mr. Russell T. Ahmed, President, BASIS, Mr. H.E. Muhammad Abdul Muhith, Ambassador and Permanent Representative, Mr. Johannes Brunner, Regional Manager, Asia Region, Austrian Federal Economic Chamber (AFEC), Mr. Clemens Wasner, Board Member of Al Austria (Artificial Intelligence Austria), Mr. Thomas Spazier, Director, Advantage Austria and Mr. David Winkler, EEE Austria among others.

In his keynote address, BASIS President Mr. Russell T. Ahmed emphasized the enormous ICT export potential Bangladesh is prepared to give, referring to it as the next ICT powerhouse. He continued, "The ICT sector in Bangladesh is thriving, driven by government-friendly regulations and powered by its quality and dependable human resources." He described the whole range of Bangladesh's ICT industry and emphasized potential areas for collaboration and B2B opportunities with Austria. BASIS President's presentation was followed by an open discussion session.

In his speech, Ambassador Mr. Muhith stated, citing the Bangladesh Government's incentives for foreign investors and the phenomenal infrastructure development in the last decade under the leadership of Hon'ble Prime Minister Sheikh Hasina, that 'Bangladesh is now enjoying a 'Demographic Dividend,' from which both countries' ICT sectors can benefit.

Mr. Brunner, Regional Manager of AFEC appreciated the rapid growth of Bangladesh particularly in the Information Technology sector and mentioned that Austria would be happy to become a partner in this journey.

On the same day (June 30, 2022), the second session of the Business Meeting was held in Bratislava, Slovakia, at the office of the IT Association of Slovakia (ITAS). Mr. Russell T. Ahmed, President of BASIS, Mr. Rahat Bin Zaman, Minister & Deputy Chief of Mission (DCM), and Mr. Tanvir Ahmad Torophder, Counsellor of the Embassy and Permanent Mission in Vienna, Mr. Pavlo Fric, Vice President of ITAS, and Mr. Gabriel Fedorko, Secretary General of ITAS, attended the meeting. During the meeting, ITAS expressed a strong desire to expand cooperation with Bangladesh, citing a 20,000-person shortage in the country's IT sector.

Based on the discussion at the meeting, ITAS stated that they are looking for enhanced cooperation with Bangladesh in the IT sector, including signing of a Memorandum of Understanding (MoU) with BASIS soon. Mr. Russell T. Ahmed, President of BASIS, also invited ITAS of Slovakia to send a delegation to SoftExpo 2023 to learn about the revolutionary successes of Bangladesh's ICT sector and to explore ICT business opportunities.

Dr. Gergely Pataki, Honorary Consul of Bangladesh to Hungary, Mr. Bence Vinkó, Managing Director of Epam Systems Hungary, and Mr. Jen Törcsik attended the third session of the Business Meeting on July 1, 2022, in Budapest, Hungary. Mr. Gyozo Vincze, CEO of IBF Hungary, Mr. Eric Molnar Jr., Editor-in-chief of European Diplomacy and Economy, Mr. Erik Molnar, Honorary Consul of Namibia to Hungary, Mr. Russell T. Ahmed, President of BASIS, Mr. Rahat Bin Zaman, Minister & DCM, and Mr. Tanvir Ahmad Torophder, Counsellor of the Embassy and Permanent Mission in Vienna.

In his welcome speech, Dr. Gergely Pataki briefed the audience about the recent development and economic growth of Bangladesh particularly the journey towards digitalization. In his opening remarks, Mr. Rahat Bin Zaman mentioned that Bangladesh and Hungary enjoy excellent political relations which need to be translated into tangible economic collaborations including in the ICT Sector, while both the countries saw remarkable economic growth in the last decade backed by political stability and continuation of industry-friendly policies. The meeting's keynote speech was delivered by Mr. Russell T. Ahmed, President of BASIS.

In his presentation, he described how Bangladesh has grown to become one of the most alluring locations for ICT investment, particularly in startups, as well as a large supplier of IT/ITES solutions and services. Bangladesh, he claimed, is prepared to meet the needs of the developed world, particularly Central Europe. The Hungarian side indicated their desire for continued IT industry collaboration with Bangladesh. They pledged to maintain and improve their cooperation in the upcoming days.

Mr. Russell T. Ahmed, President of BASIS, invited the Hungarian delegation to participate in the upcoming SoftExpo, which would be held in Dhaka from November 15 to November 19, 2022.

Roundtable Discussion on "Use of ICT in Empowering Women in Today's World"

On July 16, 2022, BASIS Women's Forum hosted a roundtable discussion presided over by Ms. Samira Zuberi Himika, Senior Vice President of BASIS and Convener of the Women's Forum. The discussion, moderated by Ms. Rezwana Khan and Ms. Achia Nila, focused on several key themes, including the current activities of the BASIS Women's Forum, cyber security and cybercrime, girls in ICT and their possible careers in ICT, women's participation in decision-making positions, and sharing the success of women in IT to inspire others.

The session featured a panel of distinguished experts, including Ms. Amena Begum, DIG (Protection & Protocol), Special Branch Bangladesh Police, Barrister Nazmus Salihin, Advocate, Bangladesh Supreme Court Salihin & Associates, Dr. Mekhala Sarkar Psychiatrist, Associate Professor (Psychiatry) National Institute of Mental Health, Ms. Kaniz Fatema CEO bdOSN, Prof. Dr. Nova Ahmed, PHD Director BWIT, Ms. Shaila Rahman Deputy Director, Head of Shared Services, People & Organization Grameenphone, Ms. Jannatul Ferdaus Manager, Business Development, CLASSTUNE, Mr. Vashkar Bhattacharjee Consultant of A2I, Sharmina Islam, News Coordinator of Banglanews24.com and Ms. Naznin Nahar, Editor & Publisher, Techworld BD, who participated as discussants.

Also in attendance were Mr. Russell T. Ahmed, President, BASIS, Ms. Sabila Enun, member, BASIS Women's Forum and Ms. Razonno Mugdha, member secretary, BASIS Women's Forum. This roundtable discussion provided valuable insights into the use of ICT in empowering women, and the role that organizations like the BASIS Women's Forum can play in driving change.

MoU Signing with CTO Forum

On July 16, 2022, BASIS and CTO Forum Bangladesh signed a Memorandum of Understanding to collaborate on enhancing the nation's IT sector. The agreement was formalized during a ceremony at the BASIS office with Russell T. Ahmed, President of BASIS, and Mr. Tapan Kanti Sarkar, President of CTO Forum Bangladesh, signing on behalf of their respective organizations.

During the signing, Ahmed sought the CTO Forum's guidance on specific measures that could be taken to develop the IT sector. He also proposed an event to be held at Basis SoftExpo, with participation from all CTO Forum members. Sarkar, on the other hand, hailed the agreement as a landmark for the country's ICT industry.

The event was graced by the presence of BASIS Director Mr. Tanvir Hossain Khan and Executive Director Abu Isa Md., as well as Mainuddin and Hashim Ahmed, BASIS Secretary, and CTO Forum Executive Member Md. Asif, Fellow Member Rajib Das, and other esteemed guests.

This partnership represents a significant stride towards the growth and advancement of the ICT industry, as CTO Forum and BASIS collaborate to develop the human resources and raise awareness in the field.

Meeting with Denmark Embassy

On July 21, 2022, at Denmark embassy to Dhaka, the meeting attendees engaged in a productive discussion about ways to promote the industry's success stories on a global scale. BASIS held this fruitful meeting with the Royal Danish Embassy to discuss the remarkable progress of the Bangladesh ICT industry over the last few years.

BASIS President, Mr. Russell T. Ahmed, and Commercial Counsellor, Head of Trade Mission, Mr. Ali Mushtaq Butt, expressed their hopes that collaboration between the private sectors of Bangladesh and Denmark in the ICT sector would secure mutual interests of both countries.

BASIS President proposed an exchange of delegations between the two countries and extended an invitation to suitable counterparts from Denmark to join the BASIS SoftExpo 2023. This event offers an opportunity for visitors to experience firsthand how Bangladesh has transformed itself into a leading frontier technology country.

Also in attendance were Mr. Abu Daud Khan, Vice President (Admin), BASIS; Ms. Nadia Tabassum, Assistant Manager, Trade Facilitation, BASIS; Ms. Saadia Taufiq, Senior Trade Advisor, Royal Danish Embassy, and Mr. Sakib Chowdhury, Trade Advisor, Royal Danish Embassy.

The collaboration between BASIS and the Royal Danish Embassy is an excellent example of the strides that can be made when public and private sectors work together to achieve common goals.

August

BASIS Leaders Showed Tribute to Father of the Nation at Tungipara

Organized by The Advisory Standing Committee, the delegation placed a floral wreath and offered special prayers, seeking divine blessings for Bangabandhu and his family. Led by President Russell T. Ahmed, along with members of BASIS, paid a solemn visit to the mausoleum of Bangabandhu Sheikh Mujibur Rahman in Tungipara.

The day-long program included a tour of the entire complex, during which the team visited Bangabandhu's ancestral home and the museum. The museum curator provided insightful commentary, explaining the historical significance of various events from our past.

BASIS President Mr. Russell T. Ahmed signed the Mourning Book to express his deep respect and condolences. The visit was attended by members of the EC, Advisory Standing Committee and Secretariat, including Vice Presidents Abu Daud Khan and Fahim Ahmed, Director Mr. AKM Ahmedul Islam Babu, and Chairman of the Advisory Standing Committee Mr. M Rashidul Hasan. Officials from the BASIS Secretariat, including Executive Director Mr. Abu Issa Mohammad Mainuddin, were also present.

Prayer and Discussion on the National Mourning Day

On August 15, 2022, BASIS organized a special prayer and discussion meeting to honor the 47th martyrdom anniversary of Bangabandhu Sheikh Mujibur Rahman, the revered father of the Bengali nation and National Mourning Day. The event, held at BASIS Auditorium, was graced by the presence of esteemed guests, including Post and Telecommunications Minister, Mr. Mustafa Jabbar, BASIS President, Mr. Russell T. Ahmed, and BASIS Vice President (Administration), Mr. Abu Dawood Khan.

Mr. Mustafa Jabbar spoke about the remarkable achievements of Sheikh Mujib, who led the establishment of an independent Bangladesh, despite coming from humble beginnings in Tungipara village. He highlighted Sheikh Mujib's contribution in setting up a technological Bangladesh by joining the ITU in 1973 and launching the Geo-satellite at Bethbunia in 1975. Mr. Jabbar also emphasized the importance of supporting and cooperating with current Bangladeshi leader, Sheikh Hasina.

Mr. Russell T. Ahmed, the BASIS President, stressed the significance of remembering Bangabandhu's sacrifice with respect and dignity. He called for the dissemination of Bangabandhu's multidimensional qualities, including his philosophy, principles, ideals, actions, and leadership, through various platforms, both digital and institutional. BASIS President believed that spreading these qualities would bring about a positive change in Bangladesh.

The meeting was attended by several distinguished individuals, including BASIS Director, Mr. AKM Ahmedul Islam Babu, Mr. Mushfiqur Rahman, BASIS Advisory Committee Vice President, Mr. Shah Imraul Qaish, Mr. Uttam Kumar Pal, BASIS Executive Director, Mr. Abu Isa, and Secretary, Mr. Hashim Ahmed, along with BASIS Standing Committee leaders and a significant number of BASIS members. Many others participated in the meeting through Zoom and Facebook Live.

The special prayer and discussion meeting held by BASIS served as a solemn and meaningful tribute to the life and legacy of Bangabandhu Sheikh Mujibur Rahman, whose contributions to the ICT industry and the nation as a whole remain unparalleled.

MoU Signing with Praava Health

On August 17, 2022, a Memorandum of Understanding (MoU) was inked between BASIS and Praava Health Bangladesh Limited. Leading the MoU signing were Mr. Abulssa Mohammad Mainuddin, Executive Director of BASIS, and Safayat Ali Chayan, Head of Marketing and Corporate Sales representing Praava Health.

The signing was witnessed by Mr. Hashim Ahmed, Secretary; Mr. Chowdhury Fatima Rokan Tuli, Head of Service; Mr. Razonno Mugdha, Manager, Membership and Member Services; Mr. Redwanul Islam Rahat, Senior Executive, Member Services, all of whom graced the occasion with their presence at the BASIS Secretariat.

The MoU enables BASIS members to benefit from discounted health-related medical services includingClinical Laboratory Services by Praava Health Bangladesh Limited.

Roundtable on API & Open Banking

On August 24, 2022, a roundtable discussion organized by the BASIS Standing Committee on Fintech brought together senior executives from 20 leading commercial banks and over 30 fintech entrepreneurs to discuss the potential of API and open banking for new service innovation. The event, which took place at Lakeshore Hotel Gulshan, was presided over by Mr. Md. Khurshid Alam, Executive Director of Bangladesh Bank, and moderated by Mr. Fahim Mashroor, Chairman of the BASIS Committee on Fintech and CEO of Bdjobs.com.

Attendees urged the Central Bank to provide supportive guidelines and standardization processes for banks and fintech firms to share customer data with consent while maintaining data privacy and security during the discussion. They emphasized that customers own their financial transaction data, and banks and mobile financial services act only as data custodians. The roundtable also featured three keynote speakers, including Todd Schweitzer, CEO of Brankas, who shared open banking best practices in Southeast Asia, Jayanta Bhoumic, Deputy Director of Bangladesh Bank's Payment Service Department, who discussed the potential roadmap for API-based open banking in Bangladesh, and Redwan Ansary, CEO of Circle Fintech, who presented on the policy support needed to enable greater collaboration between banks and fintech companies.

Mr. Fahim Mashroor, Chairman of the BASIS Committee on Fintech and CEO of Bdjobs.com, highlighted that open banking could solve the problem of low loan disbursement ratios to the MSME segment by addressing the high operation cost for banks for MSME loan disbursement and repayment through open banking-based digital lending. The event was attended by various banks and financial institutions, including Brac Bank, UCB, HSBC, Bank Asia, Islamic Bank, Mutual Trust Bank, City Bank, Jamuna, bKash, Nagad, and Upay, among others.

Separately, during a meeting at BASIS in the capital, a different pay scale and unique hierarchy for tech professionals, as well as a separate law for knowledge-exercising human resources engaged in the ICT sector, were proposed.

Seminar on Digital Security Act 2018

On August 29, 2022, an enlightening seminar on the Digital Security Act 2018 of Bangladesh took place at the prestigious BASIS Auditorium. The seminar was spearheaded by the highly regarded committee chairman, Mr. Lutfar Rahman, and graced by the presence of Mr. Tanveer Hasan Joha, an esteemed speaker in the ICT industry. A distinguished group of approximately 40 company representatives were in attendance at this captivating event.

This seminar served as a valuable forum for industry leaders to gain in-depth insights on the Digital Security Act 2018, which is a critical legislation impacting the ICT industry in Bangladesh. Mr. Joha's expertise and in-depth understanding of the subject matter provided a rich understanding of the implications of the Act for the industry, enabling participants to gain a deeper understanding of its nuances and potential impact.

This was a platform for participants to engage in meaningful dialogue on this important topic, allowing them to share best practices and learn from each other's experiences. The event proved to be highly informative and thought-provoking, and participants left feeling empowered with the knowledge and tools needed to navigate the challenges of the Digital Security Act 2018.

Thanks to the insights shared by Mr. Tanveer Hasan Joha and the thoughtful leadership of Mr. Lutfar Rahman, this seminar was a resounding success. As the ICT industry in Bangladesh continues to evolve and grow, forums such as these are vital in ensuring that industry leaders are equipped with the knowledge and resources needed to thrive in a rapidly changing landscape.

September

Workshop on Challenges in availing Cash Incentives from Software and ITES Export

On September 3, 2022, BASIS, spearheaded a workshop centered on resolving the issue of cash incentive availability for software and IT services exports. The "Workshop on Challenges in Availing Cash Incentives from Software and ITES Export" took place at the BASIS Auditorium.

Mr. Russell T. Ahmed, the President of BASIS, commenced the event with a stirring opening speech. Addressing the participants, he empathized with the difficulties they've been encountering in securing cash incentives from the Bangladesh Bank. Furthermore, he pledged to collaborate with policymakers to create favorable policies for the software and IT services sector, or to adjust current policies accordingly. He also encouraged the participants to directly communicate with the officials assigned to the Cash Incentives Department of the BASIS Secretariat for any related concerns.

Guiding the workshop was none other than Mr. Eshah Imraul Qaishar, Co-Chairman of the BASIS Advisory Standing Committee and Cash Incentive Process Development. The workshop proved to be a successful platform to tackle the challenges faced by the ICT industry in availing cash incentives.

Seminar on the State of Bangladesh's Gaming and Metaverse Industry

On September 4, 2022, the State of Gaming and Metaverse Industry in Bangladesh seminar, organized by the BASIS Standing Committee on Games, XR and NFT, and the Department of Multimedia and Creative Technology at Daffodil International University, was held in Ashulia, Dhaka. The honorable Dean, Mr. Fakhre Hossain, officially opened the seminar, which brought together experts in the gaming, extended reality (XR), and non-fungible token (NFT) sectors to share their knowledge, success stories, and case studies with the audience.

Mr. Md Sanjar Adnan, CEO of Debug BD Limited and Co-Chairman of the Standing Committee for Games, XR, and NFTs, highlighted the rising demand for games, XR, and NFTs in both domestic and international markets. However, he also emphasized the challenges faced by Bangladesh in meeting this demand due to the limited skilled manpower in the industry.

A case study on the XR and Metaverse Industry was presented by Mr. Tanveer Hussain Khan, Director of BASIS and CEO of Dreamerz Lab Limited, who emphasized the global need for the industry and Bangladesh's place in it. Mr. Mohammad Abdul Majeed, CEO and Chairman of Bangla Puzzles Limited, presented a case study on the fast gaming service, mojargames.com, and discussed the local market needs for instant gaming portals. Mr. Md. Shahriar Mobashwir, CEO of Angular eSports, spoke about the world of eSports and its contribution to the global gaming industry.

Mr. Nirbas Abdullah Karim, an NFT enthusiast, focused on the potential of Non-Fungible Tokens (NFT) and Web3, their utility, smart contracts, and real-life use cases. The seminar was accessible to all Daffodil International University students and streamed live. Mr. Sheikh Mohammad Allair, Head of the Multimedia and Creative Technology Department, noted the importance of the seminar for individuals interested in pursuing careers in the gaming, XR, and NFT industries. The Standing Committee on BASIS Games, XR, and NFT plans to organize further events on a larger scale this year. As a member-secretary responsible for the BASIS secretariat, Mr. Taufiq Elahi was also present at the event.

The seminar provided valuable insights into Bangladesh's gaming and metaverse landscape, highlighting the challenges and opportunities faced by the industry. The event also emphasized the importance of skilled manpower in meeting the rising demand for games, XR, and NFTs in the global market.

Certificate Giving Ceremony of Project White Cap

On September 17, 2022, JCI Dhaka West and BITM joined forces to launch "Project White Cap" – a Corporate Social Responsibility initiative, aimed at empowering underprivileged madrasa students with ICT education. In its first phase spanning over three months, the program successfully taught the basics of computer operation, MS Office, internet usage, and more to 30 shortlisted and meritorious madrasa students aged between 8 to 16 years old.

Welcome to BASIS: New Member Induction

On September 18, 2022, BASIS hosted a gathering for its newest members entitled "Welcome to BASIS" at the BASIS Auditorium. The primary objective of this program was to collect feedback, observations, and recommendations from new members based on their experiences thus far.

Co-Chairman of the President's Advisory Standing Committee & Convener of the "Welcome to BASIS" Program, Mr. Shah Imraul Kaeesh, and BASIS President, Mr. Russell T. Ahmed, inaugurated the session. Mr. Russell T. Ahmed emphasized the importance of exchanging views and perspectives on how BASIS can serve as the preferred industry association for its members. He also shared insights on the various services BASIS offers, networking opportunities, and other business-related information. Additionally, the President of BASIS answered all the questions posed by the attendees.

Other esteemed speakers from BASIS EC, including Senior Vice President Ms. Samira Zuberi Himika, Vice President (Admin) Mr. Abu Daud Khan, Director Mr. Ahmedul Islam Babu, and Mr. Tanvir Hossain Khan, also shared their thoughts at the event. The program was attended by various other dignitaries, including Chairman of the President's Advisory Standing Committee Mr. M Rashidul Hasan, Co-Chairman of President's Advisory Standing Committee Mr. Uttam Kumar Paul, and Member of the President's Advisory Standing Committee Mr. Iqbal Ahmed Fakhrul Hasan Russell. The session was moderated by Mr. Abu Issa Mohammad Mainuddin, Executive Director of BASIS, while Mr. Hashim Ahmed, Secretary of BASIS, along with a few Secretariat members provided an overview of BASIS and its member services.

The event was a success in gathering valuable insights from new members and fostering a sense of community within the BASIS network.

Meet the Press: BASIS National ICT Awards 2022

On September 20, 2022, at a press conference held at the BASIS, interested participants were informed about the BASIS National ICT Awards.

During the conference, the BASIS President, Mr. Russell T Ahmed, explained that the purpose of the BASIS National ICT Awards was to encourage and recognize innovative and potential IT products and services from across the country. The selected products and services demonstrate the capabilities of the IT sector in the country and on a global scale. Projects that effectively implement Smart Bangladesh from Digital Bangladesh were given special consideration at the event.

The Convener of the BASIS National ICT Awards 2022, Mr. M Rashidul Hasan, BASIS Director, expressed his excitement about the event, which was expected to be larger in scale than the previous four editions. He hoped that the awarded products and services would receive more awards than in previous years at the Apicta Awards, thus enhancing Bangladesh's image abroad.

The BASIS Executive Council and the BASIS President's Advisory Standing Committee were among those present at the event. Mr. Abdullah H. Kafi, a member of the BASIS President's Advisory Committee, served as the Chief Judge, and Mr. Liaqat Hossain, a member of the BASIS Advisory Standing Committee, was the co-convener. It is important to note that the event recognized and celebrated the best and most innovative IT products and services in Bangladesh.

Representing the BASIS Secretariat were Ms. Chowdhury Fatima Rokon Tuli, Head of Service, and Mr. Redwanul Islam Rahat, Senior Executive. As per the terms of the MoU, this partnership will provide BASIS members with a lucrative opportunity to avail special discounts on Priyoshop.com Ltd.'s platform. The partnership between BASIS and Priyoshop.com Ltd. reflects their commitment to fostering a mutually beneficial relationship that benefits their members and the industry as a whole.

Seminar on Digital Transformation with Japan

On September 20, 2022, BASIS Japan Desk and the Standing Committee on International Market Development jointly organized a seminar on Digital Transformation with Japan. The event was held at BASIS Auditorium and featured Mr. Ashir Ahmed, Associate Professor at Kyushu University, Japan, as the keynote speaker.

The seminar highlighted the new avenues of opportunities that Japan's digital transformation offers to Bangladesh's IT industries. Attendees included a significant number of BASIS member companies, as well as Mr. AKM Ahmedul Islam Babu, Director of BASIS, who moderated the session after delivering the welcome speech.

Through engaging discussions and expert insights, the seminar shed light on the transformative potential of digitalization and its role in driving growth and innovation in the ICT industry. As BASIS President emphasized, "Japan's success in digital transformation can serve as a valuable blueprint for Bangladesh's IT industries to leverage new opportunities and unlock their full potential."

Workshop on HR Handbook Implementation

On September 21, 2022, BASIS Auditorium hosted a workshop dedicated to the implementation of an HR Handbook. Esteemed members of the Standing Committee were in attendance, alongside the Secretary In-Charge, Ms. Fatematuze Johora Asha. Presiding over the event was the Vice President (Admin) of BASIS, Mr. Abu Daud Khan, while the session was inaugurated by Executive Director, Mr. Abu Issa Mohammad Mainuddin.

The workshop proved to be a tremendous success, with participants receiving invaluable insights from leading experts in the industry. With an emphasis on practical applications, attendees were equipped with the knowledge and resources necessary to optimize HR Handbook implementation within their respective organizations.

Meeting with Japan Ambassador

On September 22, 2022, H.E. The Ambassador of Japan to Bangladesh had a call on meeting with BASIS President Mr. Russell T. Ahmed, BASIS Senior Vice President Ms. Samira Zuberi Himika as focal person and BASIS Director Mr. AKM Ahmedul Islam BABU who is actively involved with the Japan Market for years. In the meeting, few action plans were discussed for the growth of the ICT industry in Japan and Bangladesh. The meeting was also attended by Mr. Tabei Yasushi, First Secretary, Embassy of Japan in Bangladesh and Ms. Farah Jabin Ahmed, Assistant Manager, Stakeholder Relations, BASIS.

October

NASA Space Apps Challenge 2022: Prize Giving Ceremony

On October 1, 2022, BASIS and BASIS Students Forum teamed up for the eighth consecutive year to host the NASA Space Apps Challenge 2022, which concluded with a grand prize ceremony. The ceremony took place at the Independent University, Bangladesh (IUB) Auditorium and was graced by Post and Telecommunications Minister Mr. Mustafa Jabbar as the chief guest and Mr. Tanveer Hasan, Vice-Chancellor of IUB, as the honorary guest.

According to Mr. Tanveer Hossain Khan, convener of NASA Space Apps Challenge 2022, over 2,000 participants from nine cities across Bangladesh took part in the challenge. The top 50 projects from the 110 shortlisted projects were showcased in a hybrid model during the two-day hackathon held at IUB, while the remaining 60 were presented online.

Mr. Tanvir Hassan, Vice-Chancellor of IUB, expressed his hope for another victory for Bangladesh's young competitors, who have been world champions for the past two years. "Such competition is vital for the development of a smart and digital Bangladesh," he added.

Minister of Posts and Telecommunications Mr. Mustafa Jabbar stressed the significance of competitions like the NASA Space Apps Challenge, especially as we approach the fifth industrial revolution, and thanked BASIS for organizing such constructive competitions. BASIS President Mr. Russell T. Ahmed proposed that the winners of the NASA Space Apps Challenge 2022 be role models for Bangladesh's aspiring scientists, and suggested building a museum featuring the best ideas from the past few years to inspire high school and college students to pursue science.

The event also featured speeches from Mr. Mohammad Mahdi-uz-Zaman and Mr. Ariful Hasan Apu, Adviser of NASA Space Apps Challenge, among others.

The NASA Space Apps Challenge is being held in 313 cities around the world by the National Aeronautics and Space Administration (NASA), while BASIS is organizing it in nine cities across Bangladesh. The challenge aims to engage 2 lakh students directly and 1 crore students through social media.

The winners of the NASA Space Apps Challenge 2022 from various cities in Bangladesh were announced as follows: Interstellar (Dhaka Chittagong), Team Chhayapath (Dhaka Chittagong), Team Mechanesh Space Eye (Dhaka Chittagong), Blue Marble (Rajshahi), Team Payback (Rajshahi), Team Kryptonite (Rajshahi), Diamond (Comilla), Exception Zero (Comilla), Team Sea Waves (Comilla), Team Ikarus (Comilla), Mrittika (Comilla), Invisible Material (Khulna), Team Poppin (Khulna), Team Graviton (Barisal), Live in Mangal (Barisal), Prihim Pro (Winner in Rangpur), Save Earth (Runner-up in Rangpur), Watchtech (2nd Runner-up in Rangpur), Fly High (Champion in Rangpur), Parkers Crew (Runner-up in Rangpur), Cosmic Curator (2nd Runner-up in Rangpur), Redshift (Champion in Mymensingh), BUET Navochari (Runner-up in Mymensingh), and Inception Last Hope (2nd Runner-up in Mymensingh).

BASIS Workshop on Digital Business Identification

On October 8, 2022, At the BASIS workshop on 'Digital Business Identification (DBID),' Ms. Farhana Irish, Director-3 (Joint Secretary) of the Ministry of Commerce's WTO Cell, gave an insightful presentation on the subject. This workshop was hosted by the BASIS Standing Committee on 'Women in IT' and was aimed at encouraging women's participation in the IT industry, in line with BASIS's ongoing initiatives in this regard.

As expressed by BASIS Vice-President (Administration) Mr. Abu Daud Khan, "This workshop is a manifestation of its continuity," highlighting BASIS's commitment to fostering a gender-inclusive IT industry. Mr. Habib Ullah Tuhin, Chairman of the BASIS Standing Committee on Women in IT, presided over the workshop, while Ms. Nishat Mushfiqua, Co-Chairman, led the discussions.

The welcome speech was given by BASIS Executive Director Mr. Abu Issa Mohammad Mainuddin, who acknowledged the Ministry of Commerce's support and thanked the senior officials who attended the workshop. Among the speakers was Mr. Mohammad Sayed Ali, Deputy Secretary, WTO Cell, and Ministry of Commerce.

The DBID system is a significant step towards recognizing the value of digital commerce establishments, as emphasized by Hon'ble Prime Minister Sheikh Hasina's declaration of information technology as the Product of the Year 2022. The guidelines for DBID are being implemented nationwide and will only apply to digital commerce establishments. The system involves compiling a list of digital commerce organizations categorized by type, with the applicant's national identity card, as well as the chairman's, director's, house owner's national identity card, trade license, company registration number, and other relevant documents submitted with the application before receiving a DBID number.

We believe that this workshop on Digital Business Identification was a resounding success, with a significant number of women members of BASIS attending and actively participating in the discussions. The workshop's focus on encouraging women's participation in the IT industry is a testament to BASIS's commitment to fostering an inclusive and diverse industry, in line with global best practices.

BASIS National ICT Awards 2022

On October 31, 2022, BASIS, hosted the fifth edition of its National ICT Awards. The event, held at a hotel in the capital, recognized cutting-edge goods and service initiatives across 36 categories with a total of 68 awards. The top-prize winning projects will compete in the APICTA Awards global competition, which is referred to as the Oscars of the Asia-Pacific IT industry.

The Hon'ble Minister of State for Information and Communication Technology, Mr. Zunaid Ahmed Palak MP, was the chief guest at the event, and he emphasized the significance of the software and IT services industry for the country's economy. In his speech, he stated that Bangladesh's software and IT services are currently exported to more than 60 countries and are worth approximately \$1.4 billion. He expressed the government's goal to raise it to \$5 billion by 2025 and create at least three million new jobs. Mr. Palak emphasized the importance of cutting-edge technology for the future, declaring that "software is the driving force of the future economy."

At the event, special guests, including Mr. NM Ziaul Alam PAA, Senior Secretary of the Information and Communication Technology Department, and Mr. Md. Jasim Uddin, President of the FBCCI, shared their insights on the government's plans to develop an intelligent, efficient, knowledge-based, innovative, smart Bangladesh by 2041. They highlighted the role of the software sector in achieving this vision, and Mr. Russell T Ahmed, BASIS President, emphasized the need to recognize domestic software companies that are working on e-governance projects. He also demanded that BASIS be involved in related activities, including industry branding of the country and preparation of training plans to create skilled human resources suitable for the ICT industry.

The BASIS National ICT Awards recognize and promote innovative and promising IT products and services across the country. Initially, 500 projects were submitted, and following the initial selection, 295 projects were chosen to present to the judges from IT industry schools, colleges, and universities, and various government departments. For four days, 80 judges saw the presentations of these projects and chose 68 for the award while adhering to international standards and using judging software.

Mr. Rashidul Hasan, the convener of the BASIS National ICT Awards, expressed his appreciation for the dedication of the competent and experienced jury, which was made up of IT professionals, academics, the media, and senior government officials. The judges completed the entire judging process with great dedication, and Abdullah H. Kafi, chief judge of the BASIS National ICT Awards, emphasized that the Picta Award is not something that can be won easily. He encouraged the champions to get ready for the Apicta Awards in the international arena.

The BASIS National ICT Awards 2022 celebrated the innovative and promising IT products and services in Bangladesh's software and information technology services sector. The event highlighted the significance of the industry for the country's economy and emphasized the need to develop an intelligent, efficient, knowledge-based, innovative, smart Bangladesh by 2041. The awards ceremony also showcased the dedication of the competent and experienced jury, who judged the projects while adhering to international standards and using judging software.

MoU signing with PMIBD

BASIS, the apex trade body for the ICT industry in Bangladesh, signed a Memorandum of Understanding (MoU) with PMI (PMIBD) on October 22, 2022, aimed at strengthening collaborative efforts on common areas of interest. The MoU underscores the commitment of both parties to participate in knowledge, skills, and competency enhancement programs that will provide collective advantage in the upcoming days.

During the signing ceremony, Mr. AKM Ahmedul Islam Babu, Director of BASIS, and Mr. Mahmood Taseen Chowdhury, Director of Outreach Program at PMIBD, signed the MoU on behalf of their respective organizations. As an officially approved local chapter of the US-based Project Management Institute, PMIBD brings a wealth of expertise to the table. Both parties acknowledged that successful collaboration could create numerous opportunities to execute various initiatives for the ICT industry. BASIS President Mr. Russell T. Ahmed even extended an invitation to the PMIBD to participate in the BASIS SoftExpo.

Notable attendees included Mr. Russell T. Ahmed, President of BASIS, Ms. Annesha Ahmed, President of PMIBD, Mr. Fahim Ahmed, Vice President (Finance) of BASIS, Mr. Syed Mohammad Kamal, Director of BASIS, Mr. Tanvir Hossain Khan, Co-chair of Advisory Standing Committee, Ms. Rezwana Khan, Chairman of Standing Committee on Digital Commerce, Mr. Zia Ashraf, and Mr. Abu Issa Mohammad Mainuddin, Executive Director of BASIS, alongside several officials from PMIBD.

This strategic partnership is a significant step towards fostering a collaborative culture in the ICT industry and paves the way for improved knowledge-sharing and skills development that will drive collective growth and innovation.

Seminar on Digital Transformation with Japan

On October 22, 2022, this exclusive seminar took place at BASIS Auditorium. The Seminar was attended by Mr. Russell T. Ahmed, President, BASIS; Mr. Fahim Ahmed, Vice President (Finance), Mr. AKM Ahmedul Islam BABU, Director, BASIS and Mr. Syed Mohammad Kamal, Director, BASIS.

At this exclusive seminar, the focus was on exploring the future of digital commerce and how open networks can pave the way forward. The seminar shed light on key industry trends and best practices, and attendees gained insights on how to capitalize on the opportunities presented by this rapidly evolving sector.

November

Awareness Seminar on "Bangladesh Labor Law and Software Industry Challenge"

On November 8, 2022, a momentous event took place at the BASIS Auditorium, as luminaries in the field of ICT convened for the Awareness Seminar on "Bangladesh Labor Law and Software Industry Challenge." The esteemed speakers included Mr. Russell T. Ahmed, President of BASIS, Mr. Abu Daud Khan, Vice President (Admin) of BASIS, and Mr. Abdulla Al Mamun PMP, Chairman of BASIS Standing Committee on HR Development & IT Training, alongside numerous members of the same committee.

The seminar provided invaluable insights on the challenges faced by the ICT industry in navigating Bangladesh's complex labor laws. Attendees gained a comprehensive understanding of the labor law landscape and its implications for the software industry. Moreover, they explored avenues to bridge the gap between legal compliance and industry demands, paving the way for a more streamlined and harmonious working environment for all.

In sum, the seminar shed light on the pressing issues that affect the ICT industry in Bangladesh and inspired attendees to chart a path towards a brighter future.

Unveiling the Cover of BASIS Magazine "Smart Bangladesh"

On November 20, 2022, BASIS, held a momentous event - the 'BASIS Evening' - where the cover of their flagship magazine, 'Smart Bangladesh,' was unveiled. The gathering, which took place at a restaurant in Dhaka, was graced by esteemed guests including founding members, former presidents, and current executives of BASIS. Minister of Postal and Telecommunications, Mr. Mostafa Jabbar, lauded the achievements of BASIS, stating, "I think the objective of establishing BASIS has been achieved today."

The launch of the monthly magazine, 'Smart Bangladesh,' was particularly noteworthy and was met with praise from the minister and other guests. BASIS President, Mr. Russell T. Ahmed, expressed his gratitude to all members present and shared the context and future plans for the publication. The event was enjoyed by all, with former executive committee members and representatives of over four hundred BASIS member organizations in attendance.

It is worth noting that the event was supported by Star Computer Systems Limited and Sheba.XYZ. In keeping with their commitment to fostering community among members, BASIS announced their plans for an annual banquet on January 21, 2023, at Subornogram Resort. As the ICT industry in Bangladesh continues to flourish, BASIS remains at the forefront of promoting its growth and development.

It is worth noting that the event was supported by Star Computer Systems Limited and Sheba.XYZ. In keeping with their commitment to fostering community among members, BASIS announced their plans for an annual banquet on January 21, 2023, at Subornogram Resort. As the ICT industry in Bangladesh continues to flourish, BASIS remains at the forefront of promoting its growth and development.

NEC Corporation visit to Bangladesh

On November 16, 2022, In a collaborative effort to promote the growth of Bangladesh's ICT industry, BASIS extended an invitation to NEC Corporation, which was graciously accepted. Ms. Yuka Shigesawa, Managing Director, NEC Corporation; Mr. Junichi Nishimura, Senior Offering Executive, NEC Corporation; and Mr. Rony Taluqdar, Director, NEC Corporation visited Bangladesh for the first time as members of the delegation.

Mr. Russell T. Ahmed, President of BASIS, spearheaded the courtesy meetings between the delegation of NEC Corporation and esteemed guests, such as H.E. The Ambassador of Japan to Bangladesh and the Country Representative of JETRO. These meetings served as platforms for discussing plans for future growth of the ICT industries in both Japan and Bangladesh.

Notably, Mr. Md. Musfiqur Rahman, DGM & Head of Operations, NEC Corporation in Bangladesh, and Ms. Farah Jabin Ahmed, Assistant Manager, Stakeholder Relations, BASIS also attended the meetings, highlighting the importance of partnership and collaboration.

This visit serves as a promising foundation for future collaborations between NEC Corporation and Bangladesh's burgeoning ICT industry, and we at BASIS look forward to the possibilities that may arise."

MoU Signing between BASIS and BDTax.com

On November 17, 2022, BASIS signed a Memorandum of Understanding (MoU) with BD TAX TECHNOLOGY Ltd., one of the BASIS member companies at BASIS Board Room with a view to provide support regarding proper preparation and submission of Personal Income Tax Return. Their expert income tax consultants will assist you to prepare and submit your income tax return which might save your valuable time, money and energy. BDTax will provide up to 15% discount on all their packages for BASIS members and their families.

Mr. Abu Issa Mohammad Mainuddin, Executive Director, BASIS and Mr. Mahbubul Kabir, Chief Operating Officer, BDTax

signed on the MoU on behalf of their respective organizations. Among others, Mr. Tanvir Hossain Khan, Director, BASIS, Mr. Md. Shajalal, Chairman of BASIS Standing Committee on Member Services and Welfare and few other officials from BDTax remained present at the signing.

MoU on Vat, Tax and Consultancy

On November 17, 2022, in an effort to provide valuable tax-related advice and guidance to its members, BASIS has forged a strategic partnership with CGA MD. HAFIJUR RAHMAN & CO. The Memorandum of Understanding (MoU) was signed at BASIS BoardRoom, with top executives from both organizations in attendance. Under the agreement, BASIS members will receive expert consultation and recommendations on a range of matters, including Value Added Tax, Customs, Income Tax,

Fund raising, Company matters (RJSC related), and other essential areas. Additionally, ČGA MD. HAFIJUR RAHMAN & CO. will also offer support and assistance with matters involving VAT, Customs, Income tax on unusual business matters such as Appeal, Reference, Revision, and ADR, among others.

The signing of the MoU was attended by Mr. Abu Issa Mohammad Mainuddin, Executive Director of BASIS, and Mr. Md.Hafijur Rahman FCGA, Chief Executive Officer of CGA MD. HAFIJUR RAHMAN & CO, who signed on behalf of their respective organizations. Among others, Mr. Tanvir Hossain Khan, Director of BASIS, Mr. Md. Shajalal, Chairman of BASIS Standing Committee on Member Services and Welfare, Chowdhury Fatima Rokon Tuli, Head of Service, Md. Abdullah-Al-Kaiser Munna, Executive of the Member Service Team, and several other officials from CGA MD. HAFIJUR RAHMAN & CO. were present at the signing ceremony.

BASIS Japan Day 2022

On November 20, 2022, BASIS, successfully organized the BASIS Japan Day 2022 at Lakeshore Hotel in the capital. State Minister for Information and Communication Technology, Mr. Zunaid Ahmed Palak, MP, graced the event as the chief guest, while BASIS President, Mr. Russell T. Ahmed, chaired the program. The event aimed to strengthen the partnership between Bangladesh and Japan in the information and communication technology (ICT) industry.

During the event, Mr. Zunaid Ahmed Palak highlighted the importance of prioritizing human resources and technology in the country's economic growth and development. He emphasized the need for collaboration between Bangladesh and Japan, as the latter country's support can help unlock the full potential of Bangladesh's ICT industry. Mr. Zunaid Ahmed Palak also mentioned the government's strategies for creating a business-friendly environment for the private sector to thrive.

In addition, other distinguished guests also graced the event, including Foreign Secretary, Mr. Md. Masud Bin Momen, Japanese Ambassador to Bangladesh, Ito Naoki, JICA Bangladesh Head, Ichiguchi Tomohide, JETRO Bangladesh Representative, Mr. Yuji Ando, and Miyazaki University President, Dr. Hiroshi Samoshima.

H.E. Ambassador Mr. Naoki praised the progress of Bangladesh's ICT sector and highlighted its potential for investment. He also acknowledged the importance of events like Japan Day in promoting trade investment and networking between Bangladesh and Japan. Meanwhile, Mr. Momen emphasized the importance of Japan's assistance in Bangladesh's overall development, noting that Japan has been one of Bangladesh's most important allies in terms of economic and diplomatic relations.

The event also marked the signing of a cooperation agreement between BASIS and Miyazaki University, which aims to further develop the private sector and unlock new business opportunities for Bangladesh to improve the overall business environment, economic activity, and attract more foreign investment in the future.

BASIS Japan Day 2022 successfully brought together leaders and experts in the ICT industry to strengthen the partnership between Bangladesh and Japan and promote opportunities for collaboration and investment in the sector.

Bangladesh-Miyazaki ICT Engineers Educational Training Project (B-MEET) witnessed a successful training session, which was co-hosted by BASIS and the University of Miyazaki of Japan on November 24, 2022. The event, which took place in the BASIS Auditorium, saw Mr. AKM Ahmedul Islam Babu, Director of BASIS and Chairman of BASIS Japan Desk, presiding over the B2B and Networking Session with Miyazaki IT Plus, organized by BASIS Japan Desk. The delegation included Mr. Tasaka Shinnosuke, a program-specific professor from the University of Miyazaki, and Mr. Yasunori Yano, an assistant professor from the same institution.

The growth of the ICT industry in Bangladesh and Japan was discussed, and Ms. Sina Sarder, a special assistant professor, and Ms. Sayuri Ogino, a representative director for B&M Inc., were also in attendance. It was a remarkable meeting of minds, and the exchange of insights is expected to further accelerate the progress of the ICT industry in both countries.

Letter Builder Innovation Challenge 2022

On November 24, 2022, BASIS and A2I (Aspire to Innovate) of the ICT Department organized a 'Letter Builder Innovation Challenge 2022' information session. The event was held at the BASIS Auditorium in Dhaka.

The proposed letter-builder solution has the facilities to create any custom template as per the requirement and official demand of the Ministry/Department. These created templates can also be used by other offices. It was made to speed up official work and communication processes with government offices and other organizations.

BASIS Director Mr. AKM Ahmedul Islam Babu, ATUI Head of Innovation Fund Mr. Naeem Ashrafi, ATUI National Consultant Mr. Mohammad Rashed Mosharraf, and many others were present in the program in the presence of representatives of various member institutions of BASIS.

Seminar on "Endpoint Security"

On November 24, 2022, BASIS organized an informative seminar on "Endpoint Security," which drew the attention of various member companies within the ICT industry. The seminar featured Mr. Shahzeb Husain was the keynote speaker, who shared his expertise and insights on the importance of endpoint security.

To ensure a comprehensive discussion, the seminar was moderated by Ms. Rezwana Khan, a representative from the advisory standing committee. Attendees were highly engaged, participating actively in the question-answer session, and addressing their concerns. The event provided a valuable opportunity for companies to understand the critical role of endpoint security in today's digital landscape.

As we reflect on the endpoint security seminar, we acknowledge the significance of such gatherings for advancing the ICT industry. The event serves as a reminder that as technology continues to evolve, so must our security measures.

MoU Signing with UCBL

Mr. Hashim Ahmed, Secretary of BASIS, and Mr. ATM Tahmiduzzaman, Deputy Managing Director of UCB, signed a Memorandum of Understanding (MoU) to jointly provide VISA Business Credit Cards to eligible members of BASIS. This partnership seeks to meet the specific needs of ICT industry players and enable them to take their business to the next level.

Under this arrangement, UCB will issue exclusive VISA Business Credit Cards to eligible BASIS members, complete with an array of benefits. These include a free annual fee for the first year, with a subsequent yearly charge of BDT 5000. BASIS members can also enjoy an annual fee waiver by conducting 18 POS transactions, and have access to \$40000 in a calendar year. The credit cardholders can even make a single transaction of up to \$8000.

The signing ceremony was also attended by Mr. Md. Shajalal, Chairman of Standing Committee on Member Services & Welfare, as well as M. Shafiqur Rahman, Senior Executive Vice President, and Md. Abdullah-Al-Kaiser Munna, Executive, Member Service. With this partnership, UCB and BASIS aim to empower ICT businesses and drive the industry forward.

December

Roundtable on "IT Skill Development: Challenges and Solutions"

On December 3, 2022, BASIS successfully hosted a thought-provoking roundtable discussion on IT Skill Development: Challenges and Solutions. Mr. Fahim Ahmed, Vice President (Finance) of BASIS and Managing Director & CEO of Pathao Limited, skillfully moderated the session after delivering his warm welcome address. Mr. Russell T. Ahmed, President of BASIS, gracefully chaired the session, which included prominent government officials, distinguished academic professionals, and experienced industry experts from BASIS members.

The keynote of the session was presented by Mr. A.K.M. Fahim Mashroor, the CEO of bdjobs.com Limited. The session included discussions from esteemed individuals, such as Professor Dr. Sazzad Hossain, a member of UGC, Mr. Md. Mostafa Kamal, Director General (Additional Secretary) of the Department of ICT (DoICT), Dr. Md. Ziauddin, Member (Coordination & Assessment) Joint Secretary of the National Skills Development Authority (NSDA), Mr. Rathindra Nath Das, Executive Director of the Daffodil International Professional Training Institute (DIPTI), Dr. Ahsan Habib, Associate Professor of the Department of Electrical and Electronic Engineering at the University of Dhaka, Mr. Imtiaz Ilahi, Managing Director of Graphic People, Mr. Raisul Kabir, Chief Technology Officer of Brainstation 23, Mr. Julian Andrin Weber, Managing Director of Secure Link Services Bangladesh Ltd. (SELISE), and Mr. Iqbal Ahmed Fakhrul Hasan, Managing Director of Divine IT Limited, who joined the session as discussants.

The event was graced by the presence of notable personalities from the industry, including Mr. M Rashidul Hasan, Managing Director and CEO of Systech Digital Limited, Mr. Shah Imraul Kaeesh, Managing Director of Technobd Limited, Mr. Uttam Kumar Paul, Managing Director of Best Business Bond Ltd., Mr. Abu Daud Khan, Vice President (Admin) of BASIS, Mr. AKM Ahmedul Islam BABU, Director of BASIS, Mr. Liakat Hossain, CEO of Babylon Resources Limited, Mr. Enamul Hafiz Latifee, Joint Secretary (Research Fellow) of BASIS, and Mr. Md. Mominul Islam, Research Associate of BASIS. The session was also attended by renowned journalists and media consultant Omnispace.

The focus of the discussion was on the challenges faced by the ICT industry in skill development and finding solutions to overcome them. The event was a success, thanks to the efforts of all those involved in making it possible.

Workshop on Future Practical Training in BASIS/BITM Based on Japanese "Top SE Program"

On December 19, 2022, BASIS, JICA, and BCC collaboratively organized a workshop on 'Future Practical Training in BASIS/BITM Based on Japanese Top SE Program'. Mr. AKM Ahmedul Islam BABU, Director of BASIS and Chairman of BASIS Japan Desk, delivered the opening speech.

Mr HIROSAWA Jin from JICA HQ and Mr WATANABE Hiroki from JICA Bangladesh office shared, insights on the new project formulation timeline in the meeting.

A notable attendance of BASIS member companies marked their presence at the seminar, where they discussed crucial top SE topics more relevant to Bangladesh. They also deliberated on training styles, such as term, time, target, online-offline, etc., that could best serve the BASIS members.

Engr. Mohammad Enamul Kabir, Director, BCC, Mr. Md. Golam Sarwar, Manager, BCC, Mr. Rony Talukdar, Director, NEC Corporation, Mr, YOSHIDA Tasuku, JICA, and Ms. Tanjin Prity, Executive, Trade Facilitation attended the meeting.

Meeting with Australian High Commissioner

On December 20, 2022, BASIS had a meeting with H.E. The High Commissioner of Australia in Bangladesh. During this meeting, BASIS President, Mr. Russell T. Ahmed, and BASIS Vice President (Admin), Mr. Abu Daud Khan discussed on the growth and future potential of the ICT industry in Bangladesh, and explored opportunities for collaboration with Australia.

Among others Mr. Duncan McCullough, Second Secretary of the Australian High Commission Bangladesh, Mr. Minhaz Chowdhury, Director of Trade and Investment at the Australian Trade and Investment Commission in Bangladesh, and Ms. Farah Jabin Ahmed, Assistant Manager of Stakeholder Relations at BASIS attended the meeting.

This insightful meeting was a testament to the commitment of both Australia and Bangladesh towards fostering a mutually beneficial relationship, and towards advancing the growth and development of the ICT industry in the region.

This insightful meeting was a testament to the commitment of both Australia and Bangladesh towards fostering a mutually beneficial relationship, and towards advancing the growth and development of the ICT industry in the region.

Traceability Innovation Challenge 2022

On Wednesday, December 21, 2022, In a monumental effort towards modernization and business excellence, Bangladesh Association of Software and Information Services (BASIS) and A2I (Aspire to Innovate) of the ICT Division have collaborated to host a cutting-edge Boot Camp on 'Traceability Innovation Challenge 2022'. The event, held at the prestigious BASIS Auditorium in the capital, was a platform for brilliant minds to discuss and showcase revolutionary advancements in the field of ICT.

The event highlighted the significance of blockchain technology in catapulting Bangladesh's industrial sectors towards the zenith of excellence. By harnessing the power of blockchain, the leather and food processing industry, along with other sectors, can undergo a complete metamorphosis, ensuring better export opportunities and an efficient supply chain. Furthermore, this technology provides a robust quality control system, offering unparalleled supply chain visibility, privacy, and security in a decentralized system.

Meeting with Sri Lankan High Commissioner

H.E. Prof. Sudharshan D.S. Seneviratne, High Commissioner of the Democratic Socialist Republic of SriLanka, recently engaged in a productive dialogue with BASIS, focused on the future of the ICT industry in Bangladesh and Sri Lanka. The meeting was aimed at fostering a collaborative approach towards skill sharing, strategizing modalities, and policies between the two countries. BASIS was represented by its Director, Mr. Syed Mohammad Kamal.

The gathering was also graced by the presence of Ms. Srimali Jayarathna, First Secretary (Commercial), High Commission of Sri Lanka and Ms. Farah Jabin Ahmed, Assistant Manager, Stakeholder Relations, BASIS. The exchange of ideas and insights was highly encouraging, laying the foundation for a promising future in the ICT industry partnership between Sri Lanka and Bangladesh.

BASIS Institute of Technology and Management (BITM)

BASIS Institute of Technology and Management Limited

To address the skill gap of HR in the industry, BASIS started its own training activities in 2007. Later in 2012; BASIS institutionalized its training activities and set up the BASIS Institute of Technology & Management (BITM). Currently BITM is private limited company which basically owned by BASIS. BITM has a pool of 5 full-time Human Resources to handle this training program & ensure necessary logistics to the participants & trainers. BITM ensures not only the quality of training but also provides proper training & logistics support such as Training materials, well-equipped Lab with updated PC configuration. We have experienced personnel who are directly involved in training coordination, monitoring & evaluation, office & database administration etc. We hope BASIS; through BITM will ensure the prosperous growth of Software & IT enabled education & act as the unique & leading Software & IT based institute in the near future by producing Skillful IT professionals in the country as well as the whole world.

All the course materials of BITM are designed and reviewed by Industry experts and practitioners. BASIS has a course content and review team that regularly updates the curriculum based on new technology and trends as well as market demand.

BITM has a pool of trainers with industry work experience for minimum 3 years. Before offering any courses, BASIS selects the trainer based on in-depth working experience in that relevant field. It has 9 well-equipped training labs, one server room, 24-hour surveillance to ensure proper security with CC camera, one conference room. Each lab has the capacity to train 30 trainees, Individual PC for each trainee, Multimedia Projector in each lab, High speed internet connection in every lab.

Previous Achievement of BITM

- Since 2012, BITM operates its regular IT-related training program, which continues until 2015 (February). Among
 them, the course tracks were Web Application Development, Web Design Development, Marketing, Network &
 Security, Mobile Application Development, Management, and Software Architecture.
- In 2013, Ministry of Labor and Human Resources of the Kingdom of Bhutan has invited BITM to visit Bhutan and conduct a two day-long workshop. A team of four members of BITM has visited there and has conducted a workshop at Bhutan where more than 200 participants were present.
- In the year of 2014 & 2015, BITM has worked in 2 projects. One was Fast Track Future Leader (FTFL) Project which is initiative of Leveraging ICT for growth, Employment and Governance project (LICT) of Bangladesh Computer Council (BCC) under the ICT Division of Posts, Telecommunication and IT Ministry. Total participants of this batch were 150.
- Another was Mid-Level Management Training Supported by Bangladesh Hi-Tech Park Authority & World Bank. Total participants of this program were more than 250.
- BITM successfully completed the first phase of BASIS-SEIP Project. Under this project it has provided training to 30,000 trainees.
- A new contract of BASIS SEIP has been signed. Through this project another 7,450 trainees will receive training.

In January, 2022 BITM took an initiative to offer Mid-Level Training Program at its own premises with the collaboration of renowned industry experts. But during pandemic situation, all those trainings were conducted by online. Currently BITM is conducting both Online and Offline training programs.

BITM Training Program in 2022

Under the BITM Training Program, Total Twenty-Five batches have successfully completed at both Dhaka & Chittagong there was 348 trainees and 5 batches are ongoing there are 77 trainees.

Course Name	Batches	Participant

Under the Collaborative program of BITM & UIU, total 2 batches have successfully completed, where there were 22 trainees and 4 batches are ongoing there are 75 trainees.

SL No	Course Name	Batches	Total Trainees
01	Post Graduate Diploma (PGD) in Digital Marketing	1	12
02	Post Graduate Diploma (PGD) in Graphic Design	1	10
03	Post Graduate Diploma (PGD) in Data Science (On-going)	2	39
04	Post Graduate Diploma (PGD) in Supply Chain Management (On-going)	2	36
	Total	6	97

Background of the Collaborative Training Program

Since September, 2016 BITM offers regular training programs with the collaboration of some selected BASIS member companies. As of now BASIS enlisted 64 member companies for collaborative training. This collaborative relationship has two definite purposes:

- i) To spread out BITM quality training through BASIS members.
- ii) Strengthen the process of HR development for the IT Industry.

Selected companies of the specific course receive 70% revenue after successfully finished the training & BITM keep rest 30% revenue. Under the Collaborative Training program of BITM, total 6 member companies have successfully trained 396 trainees under 47 training batches

SL No	Course Name	Batches	Participant
01	PeopleNTech Ltd	22	204
02	Us Software Ltd	10	69
03	UY LAB	4	40
04	Kaizen It Ltd	2	12
05	Pondit	1	7
06	LEADS Training & Consulting Limited	8	64
		47	396

Moreover, total 766 number of trainee successfully completed by both online & offline training in 2022.

BASIS-SEIP Tranche-3

BASIS-SEIP Tranche-3

Introduction

The partnership between Skills Development Coordination and Monitoring Unit (SDCMU), Skills for Employment Investment Program (SEIP) under Finance Division and Bangladesh Association of Software and Information Services (BASIS) in the software and information services field were started back in March, 2015. In continuation, BASIS and SDCMU signed a Contract on Grants for providing skills training to 7,450 people in the ICT sector. Below is a brief overview of Tranche-3 of the BASIS-SEIP Project.

Objective

The main objective of the BASIS-SEIP Tranche-3 project is to provide IT/ITES training to the targeted population and produce skilled manpower for the ICT sector to meet the growing skills demand of the ICT job market.

Duration: January 2021 - June 2023.

Number of Courses: 18 (10 new entrant & 8 up-skilling courses)

Employment target:

. 60% of new entrant graduates to be employed within 3 months of the completion of training.

. 90% of up-skilled graduates are employed.

Training Institute wise Training Courses:

Name of the Training Institutes	Name of the training courses

BASIS AUDITOR'S REPORT 2021-2022

Independent Auditor's Report

To the Members of Bangladesh Association of Software & Information Services (BASIS)

Report on Audit of Financial Statements

Opinion

We have audited the Financial Statements of Bangladesh Association of Software & Information Services (BASIS) which comprise the Statement of Financial Position as at 30 June, 2022, Statement of Income & Expenditure, Statement of Receipts & Payments Accounts and Statements of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies other explanatory information.

In our opinion, the accompanying Financial Statements give a true and fair view, in all material respects of the Financial Position of **Bangladesh Association of Software & Information Services (BASIS)** as at 30 June, 2022 and of its financial performance and its cash flows for the year ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the Financial Statements in Bangladesh and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with IFRSs and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
 cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a
 material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures
 in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are
 based on the audit evidence obtained up to the date of our auditor's report. However, future events or
 conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We also report the following:

- a. we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b. in our opinion, proper books of account as required by law have been kept by the Association so far as it appeared from our examination of those books; and
- c. The Statement of Financial Position and income and expenditure accounts dealt with by the report are in agreement with the books of account.

Bangladesh Association of Software & Information Services (BASIS) Notes to the Financial Statements For the year ended 30 June 2022

1 Reporting Entity And its Activities:

1.1 Legal Form of the entity:

BANGLADESH ASSOCIATION OF SOFTWARE & INFORMATION SERVICES (BASIS) was incorporated in Bangladesh as an Association under the Companies Act 1994 on 13th August, 1998 as a non profit making organisation by guarantee.

1.2 Nature of Activities:

The principal activities of the association include promoting and safeguarding interest of all member of the association and encouraging and assisting in the balance development of the software & information industries in Bangladesh.

2 Basis of Preparation of Financial Statement:

2.1 Basis of Measurement:

The Financial Statement have been prepared under the Historical cost convention.

2.2 Statement of Compliance:

The Financial Statement have been prepared in compliance with the requirements of the Companies Act 1994 and other relevant local Laws as applicable and in accordance with applicable International Financial Reporting Standards (IFRS) Including International accounting Standards (IAS) adopted by the institute of Chartered Accountants of Bangladesh (ICAB) Bad on international Accounting standards (IAS) and International Financial Reporting Standards (IFRS)

2.3 Presentation of Financial Statements:

The presentations of this financial statement are in accordance with then guidelines provided by IAS-1 Presentation of Financial Statements.

2.4 Reporting Period:

The financial period of the association cover one year from 1st July, 2021 to 30th June, 2022 consistently.

2.5 Reporting Currency:

The Financial statements are prepared and presented in Bangladesh currency (TAKA), which is the association's functional currency. All financial information present has been rounded off to the nearest taka except where indicated otherwise.

2.6 Going Concern:

The association has adequate resources to continue in operation for the foreseeable future. For this reason the Directors continue to adopt Going Concern Basis in preparing the account. The current credit facilities and resources of the association provides sufficient fund to make the present requirement of its existing activities.

3 Accounting Policies:

3.1 Property, plant and Equipment:

Tangible fixed assets are accounted for according to IAS-16 Property, plant and Equipment at historical cost. The gain or loss arising on the disposal or retirement of an assets is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized as non operating income and reflected in the income statement.

3.2 Accounts Receivable:

Accounts Receivables are recognized at cost which is the fair value of the consideration given for them

3.3 Accrued Expenses and other Payables:

Liabilities are recognized for the goods and service receipts whether paid or not for those goods and services. Payables are not interest bearing and stated at their nominal value.

3.4 Depreciation of Fixed Assets

Full year depreciation has been charged on addition irrespective of date when the stated assets are put into use. Depreciation on Fixed assets has been charged on reducing balance method at the following rates.

SL	<u>Assets Name</u>	Dep. Rate
1	Air Conditions	15%
2	Card type Access (ID card & other)	20%
3	Communication	20%
4	Computers & equipment's	20%
5	Cookeries & Cutleries	20%
6	Digital IR Camera	20%
7	Furniture & Fixture	15%

Minutes of the Meeting of 23rd AGM of BASIS

The 23rd Annual General Meeting (AGM) of the members of BASIS was held at 12:00 PM on Thursday, March 31, 2022, in IDEB Bhaban, Kakrail VIP Road, Dhaka-1000.

Mr. Russell T Ahmed, President, BASIS presided over the meeting. The attendance sheets of the members present at the AGM are enclosed herewith separately (Annexure-1).

Mr. Russell T Ahmed, President, BASIS formally welcomed all the members who were present at the AGM and also warmly greeted Ms. Samira Zuberi Himika, Senior Vice President, Mr. Abu Daud Khan, Vice President (Admin), Mr. Fahim Ahmed, Vice President (Finance), Mr. AKM Ahmedul Islam BABU, Director, Mr. Mushfiqur Rahman, Director, Mr. Syed Mohammad Kamal, Director, Mr. Tanvir Hossain Khan, Director, Mr. Md. Mostafizur Rahaman Sohel, Director and Mr. Rashad Kabir, Director.

Hereafter, Mr. Russell T Ahmed, President, BASIS requested Mr. Hashim Ahmed, Secretary, BASIS to read over the Notice of the 23rd AGM of BASIS and accordingly Mr. Hashim Ahmed read over the notice in front of the members present at the AGM.

Agenda 1: Confirmation of Minutes of 22nd AGM held on September 18, 2021.

Discussion:

Mr. Russell T Ahmed, President, BASIS placed the Minutes of the 22nd AGM held on September 18, 2021, to the house and the members present took part in the discussion on the Minutes.

Decision:

Mr. Tapan Kanti Sarkar, Chairman, eTech Solution Limited Proposed and Mr. K M H Shahidul Haque, CEO, Itech Unlimited seconded to adopt the Minutes and thus the minutes of 22nd AGM held on September 18, 2021.

Agenda 2: Consideration and adoption of Annual Report 2021.

Discussion:

Mr. Abu Daud Khan, Vice President (Admin), BASIS presented the Annual Report for the year 2021 before the members. The detailed activities are given in the Annual Report; however, few salient initiatives were briefed by him. He gave a visual presentation on the activities of BASIS regarding policy persuasion, digitalization of BASIS services, publication of HR Manual, and the activities of local and international market development along with standing committees.

Decision:

After the detailed discussion, Mr. Bidhan Chandra Pal, Managing Director, Probha Aurora Limited proposed and Mr. MD Aiyub Hossen, CEO, AKR Technology seconded to adopt the Annual Report 2021 and thus the Annual report was adopted.

Agenda 3: Consideration and adoption of the Accounts of the Association with Auditor's Report for the year 2019-2020.

Discussion:

Mr. Russell T Ahmed, President, BASIS requested Mr. Fahim Ahmed, Vice President (Finance), BASIS to present the Accounts of BASIS and Auditor's Report for the year 2020-21. Mr. Fahim Ahmed informed the house that both hard copy and soft copy of the Auditor's report have been sent to all members already which are also imprinted in the Annual Report of BASIS. He also mentioned that Mizan Islam & Co. was the auditor. He placed the statement of the non-current asset, current asset, net current asset, total income, total expenditure and excess of income over expenditure.

Decision:

Sheikh Abul Hashem, MD, Information Entertainment & Communication Limited (IECL) proposed and Mr. Sabbir Chowdhury, MD, Rational Tech Ltd. seconded to consider and adopt the Auditor's Report for the year 2020-2021 and thus the Accounts of the Association with Auditor's Report for the year 2020-2021 was adopted.

Agenda 4: Appointment and Fixation of Remuneration of Auditor for 2021-2022.

Discussion:

Mr. Fahim Ahmed, Vice President (Finance), BASIS informed that Mizan Islam & Co. quoted the least among the quotations for the auditing of the accounts for the FY 2020-21 that have been collected from the following Chartered Accountant firms:

- 1. M A Zaman & Co. 45,000/- (Excluding VAT & Tax)
- 3. Mizan Islam & Co. 40,000/- (Including VAT & Tax)

Kazi Zahir Khan & Co. - 50,000/- (Including VAT & Tax)

The members recommended appointing Mizan Islam & Co. with a remuneration of Tk. 40,000/- (Including VAT & Tax).

Decision:

2.

Mr. Fahim Ahmed, Vice President (Finance), BASIS proposed and Mr. Tapan Kanti Sarkar, Chairman, eTech Solution Limited supported Mizan Islam & Co. as the Auditor for the FY 2021-22 with remuneration of Tk. 40,000/- (taka forty-five thousand).

Agenda 5: Any other business with the permission of the chair.

At the 23rd Annual General Meeting, Members thanked BASIS Executive Council for organizing the annual general meeting. Mr. Russell T Ahmed, President, BASIS opened the floor for taking suggestions from the members that would help BASIS and the ICT industry to develop further.

Mr. Tapan Kanti Sarkar, Chairman, eTech Solution Limited suggested that the meeting minutes of last AGM should be placed at the beginning of the present Annual Report not at the end of the report and Mr. Russell T Ahmed, President, BASIS considered that the matter for the next Annual Report.

Mr. Bidhan Chandra Pal, Managing Director, Probha Aurora Limited said if this copy could be made virtual. Mr. Russell T Ahmed, President, BASIS agreed with him and said that he will analyze the matter with other EC members also there's a few rules and regulations on printing audit report virtually but BASIS will discuss over the matter with government.

Mr. Uttam Kumar Paul, MD, Best Business Bond Ltd, said that, there are two entries in general expenses. One is received payment and another is income expenditure journal. Whether received payment is not essential in financial report, so which one we should accept for general expenses. Then Mr. Fahim Ahmed replied him that, few payments of last fiscal year was included in the present fiscal year that's why we shall not consider the received payment in general expenditure.

Mr. Mehedi Masud Khan, BJIT Limited, shared his observation on the received payments, as previous transaction had been entered to the present fiscal year, so, should not the salary and allowances of last fiscal year be covered by the present fiscal year? Then Mr. Fahim Ahmed replied, as we provide the salary and allowances in the running month because of the personal income tax issue that's why these issues are covered by the last fiscal year.

Mr. MD Shahajalal, Managing Director, 8Pears Solutions Ltd, BASIS spend BDT 14 lac in Japan IT Week whether BASIS earned 1, 85,846 Taka in Japan Desk in 2020-2021, again BASIS earned 2, 97,600 taka from Japan Desk in 2019-2020. SO, how come BASIS spends BDT 14 lac in Japan IT Week whether BASIS didn't earn that money, and moreover this expense list was not included in the report? Mr. Fahim Ahmed replied that, Japan IT Week has been organized though it was not executed on that time and that money was refunded later on. That's why it showed as a payment in 2020-2021 fiscal years. Mr. Mushfiqur Rahman, Director, BASIS added that, that amount was received as an advanced income but it was refunded in the next year.

Mr. Jahangir Alam, COO, Efoli Ltd, asked that Where did the money go after the FDR was closed under this section? Where are the details? Then Mr. Fahim Ahmed replied, When the FDR has matured, it has been added to IBPC with BDT 75 lakh for the financial year 2019-2020. This money has been send as an FDR in IBPC.

Mr. Asif Rahman, AR communications, stated that doubtful receivables should be included in the risk-to-collect account, not in the current asset. And investment property should consist of non-current assets. Mr. Fahim Ahmed replied that Investment property is basically an FDR since it is a marketable asset. So that's why it shows in the current purchase. Mr. Mushfiqur Rahman also added that this is all about the advice of chartered accountants.

Mr. Asif Rahman, AR communications, asked why the fee was increased even after BASIS earned so much from cash incentives last year. Mr. Russell T Ahmed said that it was the previous committee's decision. New EC formed a new committee on this matter. That committee will look into it, and raising fees means increasing cash incentives, then exports will increase.

Mr. Abdul Majid, CEO of Bangla Puzzle Ltd, stated that after applying to the BITM project, he was called for an interview, but he was not included in the list for training. Mr. Russell T Ahmed replied that he would look into the matter.

Mr. Asif Rahman, AR communications, stated that BITM need values and proper acknowledgement and it is still earning most of the money for BASIS then why there is no good representation of BITM from BASIS side. Why can't we bring skilled

human resources through BITM? Mr. Russell T Ahmed, President, BASIS said that BITM is not the main source of income of BASIS. It still runs in a loss. Membership subscription fee is the main source of income of BASIS.

Mr. Shahid Uddin Akbar, CEO of Bangladesh institute of ICT development (BIID) stated that BASIS can play a big role in research and development area of ICT industry. BASIS can publish articles on a few national issues so that we can improve the ICT industry. Mr. Russell T Ahmed replied that he would look into the matter.

Mr. Mohiuddin, CEO of Bidhan Tech Ltd, stated whether the cash incentive process could be done online. Mr. Russell T Ahmed said Cash incentives documents are given physically in obedience to the government's rules and regulations, which we are obliged to abide by. But we can tell the government about this.

Mr. Mir Taifuzzaman Shishir, MD of Match wheel Ltd stated that, to make BASIS the top website in the world, we can promote our respective company's products on BASIS website. This will help a lot in marketing to our members and BASISas well. Mr. Russell T Ahmed welcomed it.

Mr. Tapan Kanti Sarkar, Chairman, eTech Solution Limited, stated that the system of tax exemption certificates is too complex; why can't we ease this complexity? Mr. Russell T Ahmed said that he would discuss this issue in the next meeting.

Sheikh Abul Hashem, MD, Information Entertainment & Communication Limited (IECL) stated that BASIS should have its own research wing. We can provide resources by forming a sub-committee to supervise it. Above all, BASIS needs a research team. Mr. Russell T Ahmed welcomed this matter.

As there was no other agenda to discuss, the AGM was concluded with a vote of thanks to and from the chair.

Russell T. Ahmed President, BASIS
