Background

Jibontory Technology Limited is one of the registered companies with **Joint Stock Companies & Firms**, Bangladesh. The company is specialized in customized business application development. We also offer consultation on business system analysis and MIS related projects. Our development and consulting team comprises expert System Architects, System Analysts and Programmers with dozens of years of experience among them. Our targeted clients are major industrial concerns (FMCG, Telecom, Pharmaceuticals, Electronics, Garments, Tobacco, Food and Beverage), trading houses, banks and other financial services, international organizations, donor agencies, organs of the defense sector. We provide Financial Management Systems, Sales & Distribution Systems, HR & Payroll Systems, Decision Support Systems, Management Information Systems, Business Automation Systems and state of art B2B and B2C solutions. Jibontory Technology Limited is a technology driven company. We believe in furnishing solutions that are viable today and open for upgrade in future. Our solutions are cost-effective and result oriented. In next couple of years we target the market segment that is already experienced in using business solutions as well as the niche that is freshly aiming at entering IT usage arena. We resolve to add value to our clients' businesses irrespective of their current exposure to IT usage. We provide the services regarding video capturing & editing, Documentary preparation/capture & editing services including photography in every aspect of services. We are one of the organization where the company provides the different services related to publication; e.g. articles in newspapers and journals etc.

Mission

To be your most trusted partner in the ICT sector with the goal for increasing your company efficiency, enhance overall productivity, reduce operating cost, boost ultimate satisfaction and generates a significant return on your IT specially Internet investment by our dedicated and quality support in each and every instance, on time. Our vision is to establish a brand image in customer mind as their most reliable and trusted analyst, consultant and partner for achieving their organization goal with our innovative, efficient and effective solution.

Client Focusing

Our clients' success is our only priority. We are passionately focused on driving customer success and eagerly place our creativity and knowledge into this direction. We do everything for our capabilities to coincide with our customers' wants. It's why we always work a little bit harder, a little bit longer, and a little bit smarter. Our values allow us no excuses and no compromises. And above all, we provide total accountability. We are committed to develop a system exactly meeting our client's business requirements with guaranteed quality at a reasonable cost.
